4. (1) The prices for phosphatic fertilisers fixed by this Order are fixed in respect of sales of the following classes, namely:
  - (a) Sales to a user—that is to say, to a person purchasing for his own use and not for the purpose of resale:
  - (b) Sales to a storekeeper—that is to say, to a person (not being a merchant, dairy company, or farmers' organisation as hereinafter mentioned), purchasing solely for resale to users:
  - (c) Sales to a merchant—that is to say, to a person purchasing for resale to storekeepers or to users:

- (2) The prices for phosphatic fertilisers fixed by this order are fixed in respect of sales for cash or for credit until a date not later than the 20th day of the month next following the month of delivery.
- (3) Where any sale is made on terms allowing credit for a longer period than that mentioned in the last preceding subclause, the purchaser shall be entitled, notwithstanding anything to the contrary in the contract of sale, to the benefit of the prices fixed by this order if in fact payment is made not later than the 20th day of the month next following the month of delivery.
- (4) The prices fixed by this order include the price of the containers.
5. (1) Where any phosphatic fertilisers manufactured in the South Island are sold for delivery "ex works" or "free on rail" at Burnside, Hornby, or Ravensbourne, the maximum price that may be charged or received shall be the appropriate price specified in the First Schedule hereto.

- (3) In the case of sales in bulk (i.e., not in containers of any kind) the prices fixed in the First or Second Schedule hereto, whichever is appropriate, shall be reduced by the sum of £1 1s. 6d. per ton in respect of each class of sale.
- (4) Where any phosphatic fertilisers are sold for delivery elsewhere than at one of the places mentioned in subclauses (1) and (2) of this clause, the maximum price that may be charged or received shall be the appropriate price fixed in the First or Second Schedule hereto, whichever is appropriate, increased by the amount of the freight charges between the place of manufacture and the place of delivery: Provided that the amount added to the price in respect of freight charges shall not in any case exceed the amount that would have been incurred had delivery been effected by the holder of a goods-service licence under the Transport Act 1949, at authorised rates: Provided also that where phosphatic fertiliser manufactured at Smart Road is sold for delivery at a place which is nearer or more convenient of access to Aramoho the freight charge shall not exceed that which would have been incurred had delivery been made from Aramoho to the place of delivery.
- (5) In every invoice, debit note, or similar document issued by a vendor to a user in respect of the sale of any phosphatic fertiliser, there shall be shown separately—
