The Wilson's (N.Z.) Portland Cement Limited Water Power and Electric Lines Licence 1957

C. W. M. NORRIE, Governor-General

ORDER IN COUNCIL

At the Government House at Wellington this 13th day of March 1957

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL

PURSUANT to the Public Works Act 1928, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby makes the following order.

LICENCE

1. This order may be cited as the Wilson's (N.Z.) Portland Cement Limited Water Power and Electric Lines Licence 1957 and shall come into force on the 1st day of April 1957.

2. Subject to the conditions hereinafter set forth, Wilson's (N.Z.) Portland Cement Limited (hereinafter referred to as the licensee) is hereby granted a licence to obstruct, impound, or divert the waters of the Wairua River (hereinafter referred to as the said stream) situated in the County of Whangarei and to take and use therefrom, for the purpose hereinafter set forth, a stream of water not exceeding 350 cubic feet per second and to lay, construct, put up, place, and use electric lines within the area of supply described in the First Schedule hereto.

3. The conditions directed to be implied in all licences by the Water Power Regulations 1934 and the Electrical Supply Regulations 1935 shall be incorporated herein and shall form part of this licence, except in so far as they may be inconsistent with the provisions of this licence.

4. This licence is issued under the Water Power Regulations 1934 and is subject thereto and to the Electrical Supply Regulations 1935, the Electrical Wiring Regulations 1935, the Radio Interference Regulations 1934, and to all regulations made in amendment thereof or in substitution thereof, except in so far as they may be inconsistent with the provisions of this licence.

5. Water shall be used under this licence solely for the purpose of generating electricity, and shall be taken from the said stream at the point marked "headworks", indicated on the plan marked S.H.D. 368 deposited in the office of the State Hydro-electric Department at Wellington.

6. The licensee is hereby authorised, subject to the conditions hereof, to construct, maintain, and use the works described in the Second Schedule hereto for the purposes of this licence, the positions of the said works being indicated on the said plan S.H.D. 368.

7. The system of supply shall be as described in paragraphs (a) and (f) of regulation 21-01 of the Electrical Supply Regulations 1935.

8. For the purpose of assessing the rental or annual sum payable in respect of this licence, the maximum generating capacity of the plant at the commencement of this licence is 3,000 kilowatts.

9. Nothing in this licence shall of itself be deemed to confer upon the licensee any right to water.

10. This licence shall, unless sooner lawfully determined, continue in force until the 31st day of March 1978.

11. The Order in Council dated the 1st day of July 1913 and published in the *Gazette* on the 24th day of the same month authorising the Dominion Portland Cement Company (Limited) to use water for the purpose of generating electricity and to erect certain electric lines (the rights, powers, and privileges thereunder having been assigned to the licensee) is hereby revoked.

12. The Order in Council dated the 29th day of September 1930 and published in the *Gazette* on the 2nd day of October 1930, at page 2873, amending the said Order in Council dated the 1st day of July 1913, is hereby revoked.
