Price Order No. 1683 (Cheese)

Pursuant to the Control of Prices Act 1947, the Price Tribunal hereby makes the following price order:

Preliminary

1. This order may be cited as Price Order No. 1683, and shall come into force on the 1st day of February 1957.

2. (1) Price Order No. 1670 is hereby revoked.

(2) The revocation of the said Price Order shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this order.

3. (1) In this order, unless the context otherwise requires,—

"The said Act" means the Control of Prices Act 1947;

"The said regulations" mean the Dairy Produce Regulations 1938;

"Export size", in relation to any cheese, means a cheese weighing or reputed to weigh approximately 80 lb.;

"Medium size", in relation to any cheese, means a cheese weighing or reputed to weigh approximately 40 lb.;

"Pancake size", in relation to any cheese, means a cheese weighing or reputed to weigh approximately 20 lb.;

"Daisy size", in relation to any cheese, means a cheese weighing or reputed to weigh approximately 0.5 lb.;

"Loaf size", in relation to any cheese, means a cheese weighing or reputed to weigh approximately 0.1 lb.;

"Standard crate lot", in relation to a transaction for the sale of cheeses, means a lot consisting of two cheeses of export size, or three cheeses of medium size, or six cheeses of pancake size, or five cheeses of daisy size, or nine cheeses of loaf size.

"Manufacturing dairy" means a dairy registered as a cheese factory, pursuant to the said regulations.

(2) Terms and expressions defined in the said Act, or in the said regulations, when used in this order, have the meanings severally assigned thereto by the said Act or by the said regulations as the case may be.

For the purposes of this order, any person who sells by retail to any one purchaser, for delivery at any one time, not less than three standard crate lots of export size, or any cheese to which this order applies shall be computed at the rate per pound fixed in accordance with this clause as set out in clause 3 (1) of this order.

For the purposes of this clause the weight of any cheeses sold in crates shall be deemed to be their actual weight at the time of crating, and the weight of uncrated cheeses shall be deemed to be their actual weight when delivered to the purchaser.

Notwithstanding anything in clause 6 of this order, the maximum prices that may be charged or received for any cheese to which this order applies by any manufacturing dairy upon any sale to a wholesaler shall be £d. per pound less than the prices computed in accordance with the said clause.

Retailers' Prices

8. (1) The maximum price that may be charged or received by any retailer for any cheese to which this order applies shall be determined in accordance with the following provisions, namely:

(a) In the case of cheese sold by a retailer to whom supplies of Cheddar cheese are available, free of freight charges, for delivery at any source of supply that is not the most convenient of access to his store, the maximum retail prices shall be:

<table>
<thead>
<tr>
<th>Export Size</th>
<th>Medium Size</th>

</tr>
<tr>
<td>(c) Sales of less than a standard crate lot</td>
<td>1s 8d</td>

</tr>
</tbody>
</table>

Provided that if a wholesaler cuts portions from a whole export or a whole medium cheese for sale by way of wholesale he may add to the appropriate maximum price (computed in accordance with the foregoing table) that may be charged or received for such whole cheese the sum of £d. per pound.

Provided further that for the purposes of this order the cutting of a cheese does not alter the classification of such cheese as set out in clause 3 (1) of this order.

Retailers may apply with respect to a specified lot or consignment of Cheddar cheese referred to in subclause (1) of this order as set out in clause 3 (1) of this order.

Special Prices Where Extraordinary Charges Incurred

9. Subject to such conditions, if any, as it thinks fit, the Tribunal, on application by any retailer, may authorise special prices in respect of any cheese to which this order applies where special circumstances exist or for any reason extraordinary charges (freight or otherwise) are incurred by the retailer. Any authority given by the Tribunal under this clause may apply whether or not the cheese to which the authority is given was purchased at a price such as to justify the payment of such additional price, and the authority may relate to general sales of such cheese or may relate generally to all cheese to which this order applies sold by the retailer while the approval remains in force.

Dated at Wellington this 30th day of January 1957.

The Seal of the Price Tribunal was affixed hereto in the presence of—
