Permission to Use "Left-hand Drive" Motor Vehicles First Registered Before 1 September 1952

Pursuant to subclause (2) of regulation 44 of the Traffic Regulations 1956,* the following vehicles are exempted, for the period during which they are licensed under Part II of the Transport Act 1949, from the provisions of subclause (1) of the said regulation which prohibits generally the operation on a road of any motor vehicle having the steering column to the left of the longitudinal centre line of the body of the vehicle:

Any motor vehicle first registered in New Zealand before 1st day of September 1952.

Dated at Wellington this 1st day of August 1958.

H. B. SMITH, Commissioner of Transport.

Notes—The foregoing exemption avails only so long as the motor vehicle is fitted with an approved direction indicator and stop indicator. Any of the foregoing exemptions does not excuse the necessity of having the motor vehicle fitted with a mirror so as to reflect to the driver a view of the roadway to the rear sufficient for driving requirements.
