

Authorising the Kaikoura County Council to Erect and Use Electric Lines in Portion of the Kaikoura County

COBHAM, Governor-General

ORDER IN COUNCIL

At the Government House at Wellington this 17th day of September 1958

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL

PURSUANT to the Public Works Act 1928, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby authorises the Kaikoura County Council (hereinafter referred to as the licensee), subject to the conditions hereinafter set forth, to lay, construct, put up, place, and use the electric lines described in the Schedule hereto.

CONDITIONS

IMPLIED CONDITIONS

1. The conditions directed to be implied in all licences by the Electrical Supply Regulations 1935 and the Electrical Wiring Regulations 1935 shall be incorporated herein and shall form part of this licence, except in so far as they may be inconsistent with the provisions of this licence.

LICENCE SUBJECT TO REGULATIONS

2. The licence hereby conferred is subject to compliance by the licensee with the Electrical Supply Regulations 1935, the Electrical Wiring Regulations 1935, the Radio Interference Regulations 1958 and with all regulations hereafter made in amendment thereof or in substitution therefor respectively.

SYSTEMS OF SUPPLY

3. The systems of supply shall be as described in paragraph (a), (b), (c), (d), (e), (f), and (j) of regulation 21-01 of the Electrical Supply Regulations 1935. The system of supply authorised under paragraph (j) shall be a single conductor earth return system and the use thereof shall be subject to the terms and conditions laid down by the General Manager of the State Hydro-electric Department.

DURATION OF LICENCE

4. Unless sooner determined, this licence shall continue in force until the 4th day of July 1963.

SCHEDULE

AREA OF SUPPLY

LINES for the supply of electrical energy by the systems of supply hereinbefore described within that area in the Marlborough Land District, Kaikoura County, bounded by a line commencing at a point on mean high-water mark at the middle line of the Kowhai River; thence proceeding south-westerly along the mean high-water mark to its intersection with the right bank of the Kahutara River; thence northerly and westerly along the right bank of the Kahutara River to a point in line with the north-eastern boundary of S.G.R. 90, Block V, Hundalee Survey District; thence across a public road to the north-eastern boundary of S.G.R. 90 aforesaid; thence southerly and westerly generally along the eastern and southern boundaries of S.G.R. 90 aforesaid and the southern boundaries of S.G.R. 89, Block V, Hundalee Survey District, and Section 2, Block IV, Hundalee Survey District, to the south-western corner of Section 2 aforesaid; thence southerly and westerly along the eastern and southern boundaries of S.G.R. 87, Block IV, Hundalee Survey District, to the south-western corner of S.G.R. 87 aforesaid; thence along the southern boundary of a public road to its western side; thence northerly along the western side of the said public road to the south-eastern corner of S.G.R. 86, Block III, Hundalee Survey District; thence south-westerly and southerly along the south-eastern and eastern boundaries of S.G.R. 86, Block III, Hundalee Survey District, S.G.R. 156, Block IX, Hundalee Survey District, and S.G.R. 157, Block XIII, Hundalee Survey District, to the south-eastern corner of S.G.R. 157 aforesaid; thence westerly, southerly, and south-westerly generally along the southern boundary of S.G.R. 157 aforesaid, the eastern boundary of Section 4, Block XIII, Hundalee Survey District, and the south-eastern boundaries of Section 6, Block XIII, Hundalee Survey District, to the south-western corner of Section 6 aforesaid; thence by the southern boundary of a public road and its production across the Spey Stream to the right bank of the said stream; thence south-westerly along the right bank of the said Spey Stream to its junction with the left bank of the Conway River; thence northerly generally along the left bank of the Conway River, to its source; thence by a right line to Mt. Ross and thence due west to the right bank of the Clarence River; thence along the right bank of the Clarence River to its junction with the left bank of Jam Stream; thence up the left bank of Jam Stream to a point in line with the eastern boundary of Run 205, Block III, Kaitarau Survey District;

thence across Jam Stream and a public road to the eastern boundary of Run 205 aforesaid; thence southerly and south-westerly generally along the eastern and south-eastern boundaries of Run 205, Blocks III, VII, XI, X, and XIII, Kaitarau Survey District, to Trig Station Snowflake, Block IX, Greenburn Survey District; thence southerly generally along the eastern boundaries of Section 9, Block IX, Greenburn Survey District and Run 128A, Blocks IX and XIII, Greenburn Survey District, and the projection of the said eastern boundary of Run 128A to the middle line of the Kowhai River; thence south-westerly and south-easterly by the middle line of the said river to its intersection with the mean high-water mark, the point of commencement.

As the same is more particularly delineated on the plan marked S.H.D. 484 deposited in the office of the State Hydro-electric Department at Wellington and thereon edged red.

T. J. SHERRARD, Clerk of the Executive Council.
(S.H.D. 10/72/1)

The Tauranga Borough Council Water Power and Electric Lines Licence 1958

COBHAM, Governor-General

ORDER IN COUNCIL

At the Government House at Wellington this 17th day of September 1958

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL

PURSUANT to the Public Works Act 1928, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby makes the following order.

LICENCE

(1) This order may be cited as the Tauranga Borough Council Water Power and Electric Lines Licence 1958.

(2) Subject to the conditions hereinafter set forth, the Tauranga Borough Council (hereinafter referred to as the licensee) is hereby granted a licence to obstruct, impound, or divert the waters of the Omanawa River, the Mangapapa Stream, and the Mangakarengarenga Stream, all situated in the Otanewainuku Survey District, in the South Auckland Land District, and to take and use therefrom for the purpose of generating electricity streams of water not exceeding 160, 500, and 150 cubic feet per second respectively, and to lay, construct, put up, place, and use the electric lines described in the First Schedule hereto.

(3) The conditions directed to be implied in all licences by the Water Power Regulations 1934 and the Electrical Supply Regulations 1935 shall be incorporated herein and shall form part of this licence, except in so far as they may be inconsistent with the provisions of this licence.

(4) This licence is issued under the Water Power Regulations 1934 and is subject thereto and to the Electrical Supply Regulations 1935, the Electrical Wiring Regulations 1935, the Radio Interference Regulations 1958, and to all regulations made in amendment thereof or in substitution therefor, except in so far as they may be inconsistent with the provisions of this licence.

(5) Water shall be taken as aforesaid from:

(a) The Omanawa River at a point in Section 579, Block VI, Otanewainuku Survey District, as indicated on the plan marked S.H.D. 417 deposited in the office of the State Hydro-electric Department at Wellington;

(b) The Mangapapa Stream at a point in Section 475, Block V, Otanewainuku Survey District, as indicated on the plan marked S.H.D. 418 deposited as aforesaid;

(c) The Mangakarengarenga Stream at points in Kaimai No. 1 Block, Block V, Otanewainuku Survey District, as indicated on the said plan S.H.D. 418.

(6) The licensee is hereby authorised, subject to the conditions hereof, to construct, maintain, and use the works described in the Second Schedule hereto, the positions of the said works being indicated on the said plans S.H.D. 417 and S.H.D. 418.

(7) The systems of supply shall be as described in paragraphs (a), (b), (d), (e), and (f) of regulation 21-01 of the Electrical Supply Regulations 1935.

(8) For the purpose of assessing the rental or annual sum payable in respect of this licence, the maximum generating capacity of the plants at the commencement of this licence is 3,440 kilowatts.

(9) Nothing in this licence shall of itself be deemed to confer upon the licensee any right to water.

(10) This licence shall, unless sooner lawfully determined, continue in force until the 31st day of March 1979.

(11) The Orders in Council specified in the Third Schedule hereto authorising the licensee to use water for the purpose of generating electricity and to erect and use electric lines are hereby revoked.
