

SYSTEM OF SUPPLY

3. The system of supply shall be as described in paragraph (d) of regulation 21-01 of the Electrical Supply Regulations 1935, and shall be an alternating current system.

DURATION OF LICENCE

4. Unless sooner lawfully determined, this licence shall continue in force until the 31st day of March 1979, or until electrical energy is available from an electric power board or some other public source of supply, whichever is the earlier.

SCHEDULE

LINES for the supply of electrical energy by the system of supply hereinbefore described, commencing from the licensee's generator and proceeding:

- (1) In a westerly direction generally to a wool-shed and a whare.
- (2) In a north-easterly direction to a house and thence in a northerly direction across a main highway to a cottage and a pump shed.

All being situated in Part Mangatu Block I, Blocks I, V, VI, and X, Mangatu Survey District in the County of Waikohu; the said lines and buildings being more particularly shown on the plan marked S.H.D. 498 deposited in the office of the New Zealand Electricity Department at Wellington.

T. J. SHERRARD, Clerk of the Executive Council.
