

testator to the Hawke's Bay Hospital Board. The purpose of the said bequest was the erecting or contributing towards the cost of the erection of a covered way from the Nurses' Home at the Memorial Hospital Hastings to the building of the said Memorial Hospital, and a condition was that the covered way be completed within three years of the death of the testator. Because the Board has advised the trustees that on account of changes in the plans and position of new buildings at the said Memorial Hospital the said purpose is impracticable or inexpedient, a scheme for a new purpose for the said bequest has been proposed by the trustees with the consent and approval of the said Board which said new proposed scheme is as follows, namely, that the said bequest of one thousand pounds (£1,000) be used in paying the costs incidental to the scheme and in reimbursing the said Board in whole or in part for the cost of erecting a supper room to be attached to the Harding Hall at present erected in the grounds of the said Memorial Hospital and that the legacy be payable if the said supper room be completed within four years of the death of the testator.

Notice is further hereby given that application for such approval of the said proposed scheme will be heard at the sittings of the Supreme Court of New Zealand at Napier commencing on the 17th day of February 1959.

And notice is further hereby given that any person who desires to oppose the said proposed scheme shall, not less than seven (7) days before the said 17th day of February 1959, give written notice of his intention to do so to the Registrar of the Supreme Court of New Zealand at Napier, to the trustees of the said will, care of their solicitors, and to the Attorney-General of New Zealand.

Dated this 5th day of January 1959.
