

Wiring Regulations 1935 shall be incorporated herein and shall form part of this licence, except in so far as they may be inconsistent with the provisions of this licence.

4. The licence hereby conferred is subject to compliance by the licensee with the Electrical Supply Regulations 1935, the Electrical Wiring Regulations 1935, the Radio Interference Regulations 1958, and with all regulations made in amendment thereof or in substitution therefor, except in so far as they may be inconsistent with the provisions of this licence: Provided that the licensee shall not by virtue of this clause be required, except in the normal course of alteration, repair, or maintenance, to reconstruct in conformity with the regulations hereinbefore mentioned, any existing electric line or work which conformed to the regulations in force at the time of the construction thereof, and has not become a hazardous line as described in the Electrical Supply Regulations 1935.

5. The systems of supply shall be as described in paragraphs (a), (b), (c), (d), (e), (f), and (h) of regulation 21-01 of the Electrical Supply Regulations 1935.

6. This licence shall, unless it is sooner lawfully determined, continue in force until the 7th day of June 1965.

7. The Orders in Council specified in the Second Schedule hereto authorising the licensee to use electric lines are hereby revoked.
