

along the northern boundary of that Section 105 to and along the northern boundary of a closed street (formerly Neagh Street) and its production across Leven Street to the south-western bank of the Hogburn; thence generally south-easterly along the south-western bank of the Hogburn to the middle of the stream draining the Naseby Reservoir; thence generally south-westerly down the middle of that stream which flows approximately along the line of the old western bank of the Hogburn to the southern boundary of the road forming the southern boundary of the Town of Naseby; thence westerly along the southern boundaries of that road, of Section 103, Block I, Naseby Survey District, and again of that road to a point in line with the eastern boundary of Hollywood Street; thence northerly to and along that boundary to the northern boundary of Eask Street; thence north-westerly across Hollywood Street to and along the northern boundary of the road being the continuation of Eask Street to the corner distant 843.3 links more or less from Hollywood Street; thence northerly along a straight line to the point of commencement.

#### BOUNDARIES OF COUNTY OF MANIOTOTO

All that area in the Otago Land District, bounded by a line commencing at Trig. Station AA, Mount St. Bathans, St. Bathans Survey District, and proceeding south-westerly along a right line to a geodetic trig. station south of Dunstan Pass; thence southerly and south-westerly along the eastern and south-eastern boundaries of Run 237F to the northernmost corner of Run 226B; thence south-easterly along the north-eastern boundary of Run 226B to the second angle in that boundary from that corner; thence generally south-westerly, south-easterly, and south-westerly to and along the middle of Lauder Creek to its confluence with the Manuhirikia River; thence generally north-easterly and south-easterly along the middle of the Manuhirikia River and the Poolburn to a point in line with the north-eastern boundary of Block III, Poolburn Survey District; thence south-easterly to and along that boundary and its production to the most northerly corner of Run 261H; thence generally south-easterly along the northern boundary of Run 261H to its easternmost corner; thence generally south-westerly along the south-eastern boundaries of Runs 261H and 261I to the southernmost corner of the last-mentioned run and along a right line across a road to the easternmost corner of Run 261J; thence generally south-westerly along the south-eastern boundaries of Runs 261J, 261L, Section 1, Block VIII, Poolburn Survey District, Runs 261N and 261O and along a right line across a road and again along the south-eastern boundary of Run 261O and its production across a road to the easternmost corner of Run 261P; thence generally south-westerly along the south-eastern boundary of Run 261P and south-easterly along the north-eastern boundary of Run 261Q, the right line between Trig. Station J, North Rough Ridge Hill, situated in Block XI, Gimmerburn Survey District, and Trig. Station C, South Rough Ridge Hill, situated at the north-eastern corner of Long Valley Survey District; thence south-westerly along that right line to Trig. Station C, South Rough Ridge Hill; thence generally south-westerly along the watershed through Trig. Stations H, Manorside Survey District, and V, Long Valley Survey District, to the southern boundary of Run 566; thence generally south-easterly along the watershed through Trig. Stations Y, F, and D, Bottle Rock, Long Valley Survey District, and Davidson's Tops and Q, St. Abbs Survey District, to and along the summit of the Lammerlaw Ranges to Trig. Station F, Hedgehope Survey District; thence north-easterly along a right line to the opposite road angle and along the northern side of that road to the summit of the Lammermoor Ranges; thence generally northerly along the summit of the said Lammermoor Ranges leading ridge to Trig. Station N, Soutra Hill; thence north-easterly along a right line to Trig. Station H, Summit Rock; thence northerly along a right line to the southernmost corner of Run 204F; thence south-easterly along a right line to and along the south-western boundary of Run 205E and its production to the middle of the Taieri River; thence generally northerly along the middle of the Taieri River to the Horseburn; thence generally north-easterly along the middle of the Horseburn to its source approximately 36 chains south-east of Trig. Station A, Flat Hill; thence north-westerly along a right line to the said Trig. Station A, Flat Hill; thence due east along the southern boundary of Swinburn Survey District to the middle of McLeods Road; thence generally north-easterly along the middle of McLeods Road being along the summit of a leading ridge to a point 40 chains due south of the northern boundary of Section 1, Block XIII, Swinburn Survey District; thence north-easterly to and along the middle of a stream to the middle of the Shag River; thence generally north-easterly along the middle of that river to its source and along a right line to Trig. Station A, Kakanui Peak; thence generally north-westerly along the south-western boundary of Run 681 and its production to the middle of the public road along the summit of the Kakanui Mountains; thence generally north-westerly along the middle of that road to Trig. Station I, Mount Nobbler; thence generally north-easterly along the western boundary of Run 510 and its production at Dansey Pass to the south-eastern boundary of Run 576; thence generally northerly along the eastern boundary of Run 576 to Trig. Station Y, Kyeburn Survey District; thence generally south-westerly and northerly along the watershed through Run 576 to peg A.S.O. 789 on the northern boundary of Run 576; thence generally south-westerly along the northern and north-western boundaries of Run 576 to Trig. Station N, Mount Kyeburn; thence generally northerly and westerly

along the watershed running through the south-western portion of Run 574 to a point on the eastern side of the road forming the western boundary of Run 574, in line with the northern boundary of Run 591; thence generally westerly to and along the northern boundaries of Runs 591, 575, 219c, and the north-eastern boundary of Run 306A to Trig. Station I, Mount Ida; thence generally north-westerly along the summit of the Hawkdun Mountains to the southern boundary of Gala Survey District; thence westerly along the southern boundaries of Gala and Hawkdun Survey Districts to the eastern boundary of Run 201A; thence south-easterly along that boundary of that run to the point of commencement; excluding the Borough of Naseby hereinbefore described.

#### BOUNDARIES OF MOUNT IDA RIDING

All that area in the Otago Land District, County of Maniototo, bounded by a line commencing at the north-western corner of Run 219c, Naseby Survey District, and proceeding generally easterly along the northern boundaries of Runs 219c, 575, and 591 and the production of the northern boundary of the last-mentioned run to the eastern side of a road forming the western boundary of Run 574; thence generally easterly and southerly along the watershed running through the south-western portion of Run 574 to the source of the Little Kyeburn; thence generally south-westerly down the middle of the Little Kyeburn to its confluence with the Kyeburn; thence generally southerly down the middle of that river to a point in line with the middle of the road forming part of the southern boundary of Run 574 between the southernmost corner of that run and Kyeburn Road; thence north-westerly to and along the middle of that road to its intersection with the middle line of the Lower to Upper Kyeburn Road; thence northerly along the middle of that road to its intersection with the middle line of White Road; thence generally north-westerly along the middle of that road to its intersection with the middle line of the Naseby-Kyeburn Road; thence south-easterly along the middle of that road to its intersection with the middle line of Geddies Road; thence generally westerly along the middle of that road to its intersection with the western boundary of Block IV, Maniototo Survey District; thence generally southerly along the western boundaries of Blocks IV, VIII, and XII, Maniototo Survey District, to the westernmost corner of Section 1, Block XII, aforesaid; thence south-easterly along the south-western boundary of that section and its production to the middle of a road; thence generally south-westerly along the middle of that road to its intersection with the middle line of the Waipiata-Kyeburn Road; thence generally south-westerly along the middle of that road to a point in line with the south-western boundary of Section 23, Block XI, Maniototo Survey District; thence south-easterly to and along that boundary and its production to the middle of the Taieri River; thence generally westerly along the middle of that river to a point in line with the middle line of the Patearoa-Ranfurly Main Highway; thence generally northerly to and along the middle of that highway to a point in line with the northern side of Alexandra Street, Town of Ranfurly; thence to and along that side of that street to the western side of Drumglass Street; thence northerly along that side of that street and its production to the south-eastern corner of Section 12, Block I, Town of Ranfurly, and along the eastern boundary of that section and its production to the south-eastern corner of Section 11, Block I, aforesaid and along the eastern boundary of that section to the southern side of Goff Road; thence north-westerly along the southern side of that road and its production to the middle line of the Palmerston-Alexandra State Highway; thence generally northerly along the middle of that State highway to the middle line of Laws Road; thence generally north-easterly along the middle of that road to the middle line of a road intersecting Run 306; thence north-easterly along the middle of that road to a point in line with the south-eastern boundary of Run 306A; thence generally north-easterly to and along that boundary to the point of commencement; excluding therefrom the Borough of Naseby as hereinbefore described.

Dated at Wellington this 16th day of February 1960.

E. PERYMAN, for the Secretary for Internal Affairs.  
(I.A. 103/10/78)

#### *Land in the Wellington Land District Acquired as Permanent State Forest Land*

NOTICE is hereby given that the land described in the Schedule hereto has been acquired under the Forests Act 1949 as permanent State forest land.

#### SCHEDULE

##### WELLINGTON LAND DISTRICT—WELLINGTON CONSERVANCY
