

(c) If the average weight ascertained as aforesaid of the crates of cheese comprised in any Grader's Certificate exceeds the average of the marked weights thereof as set out in such certificate, then the amount of such excess shall not be taken into account for the purpose of computing payment therefor:

(d) From the total weight computed as aforesaid of the cheese comprised in any Grader's Certificate there shall be deducted by way of shrinkage allowance such amount in respect of any particular brand or class of cheese as the Commission may from time to time determine.

9. The prices fixed by the Authority shall not be paid for any butter or cheese manufactured otherwise than in compliance with the said regulations.

10. The price to be paid by the Commission for unwaxed cheese shall be the appropriate price payable for waxed cheese as hereinbefore provided reduced by such amount as corresponds with the reduced costs incurred in the manufacture of such unwaxed cheese and the allowance for loss in weight due to shrinkage. The reduction referred to in this paragraph shall be computed by the Commission and the computation of the Commission shall be final.

11. The price to be paid by the Commission for any butter or cheese which, with the approval or at the request of the Commission, is manufactured, prepared, or packed in special containers, or in special quantities or otherwise in any special manner, shall be the appropriate price payable for that butter or cheese as hereinbefore provided adjusted by such appropriate addition or reduction as corresponds with the additional costs or the reduced costs incurred in such special manufacture, preparation, or packing. Any such approval or request of the Commission may include a stipulation limiting the additional cost to be incurred and may dispense with the requirements of paragraphs 6, 7, and 8 hereof, and, in that event, payment shall be made for the actual net weight of the butter or cheese exported. The adjustment to prices referred to in this paragraph shall be computed by the Commission and the computation of the Commission shall be final.

Dated at Wellington this 2nd day of August 1961.

G. A. DUNCAN, Chairman,
