Claims by Victims of Nazi Persecution in Austria

The Minister of External Affairs has been informed that the Austrian Government is now accepting certain claims for compensation by persons who were persecuted on political, racial, or religious grounds in Austria between 13 March 1938 and 8 May 1945, and whose bank accounts, securities, mort­gages, or cash were confiscated by the Nazi authorities, or who were compelled to pay certain discriminatory taxes. Applications will be also received from those wishing to reclaim certain identifiable property (or its equivalent value) which since 13 March 1938 was subject to forced transfer or measures of sequestration, confiscation, or control on account of the racial origin or religion of the owner and which has since been traced and claimed by the Austrian authorities. Claims for restitution of such property must be made not later than 10 June 1962.

Applications may be made by persons of any nationality whose property was subject to the measures described or, in appropriate cases, by the immediate families or heirs of such persons.
