

Tariff Notice—Applications for Approval of the Minister of Customs

NOTICE is hereby given that applications have been made for admission, at concessionary rates of duty, by approval of the Minister of Customs, of the goods described hereunder:

Tariff Item	Goods	Concessionary Rates of Duty					Concessionary Reference
		B.P.	Aul.	Can.	MFN.	Gen.	
099.090.9	MARMITE concentrated autolysed brewers' yeast extract, in bulk, for use in the manufacture of MARMITE vegetable extract	Free	20%	25%	10.2
332.960.0	DECRAMASTIC bituminous emulsion for the treatment of roof sheeting and tiles	25%	25%	10.8
533.320.6	Prepared water pigments of a kind used for finishing leather ..	25%	25%	10.8
541.630.2	STAPHYLOCOCCUS TOXOID BP	Free	20%	25%	23.3
541.630.2	Cold vaccine	Free	20%	25%	23.3
554.200.0	Surface-active agents for use in the dyeing of fabrics, viz.—TINEGAL-W, TINEGAL-NA, TINEGAL-CV 400%, TINEGAL-T, IRGASOL-SW, UNNADINE-W, NEOVADINE-AN, DIBALAN SALT-S, CIBALAN SALT-N 200%, ALBATEX-PON 300%, NEOVADINE-AL, ALBATEX-HW, and LEVELLING AGENT-NL	25%	25%	10.8
581.205.4	Micro-porous polyvinyl chloride sheets, for use as battery separating material	Free	Free	..
581.205.4	Porous P.V.C. sheeting, corrugated on one side, for use as battery separating material	Free	Free	..
581.326.1	BEAR brand No. 806 electrical insulating tape	Free	20%S	25%	..
581.326.3	SELUTINT printed acetate sheets, self-adhesive, for use in process engraving, etc.	Free	Free	..
599.570.2	SICHEL P930, an adhesive for use in the lamination of cardboard	25%	25%	10.8
599.999.9	CREX, a modified soda for use in the manufacture of soap powders, detergents, and bath salts	25%	25%	10.8
599.999.9	CORZOL oil core paste for use in the manufacture of iron, non-ferrous, and light alloy castings	25%	25%	10.8
599.999.9	Foundry parting compound, for use in the manufacture of iron, non-ferrous, and light alloy castings	25%	25%	10.8
599.999.9	Foundry fluxes, exothermic compounds, and die coatings for, use in the manufacture of iron, non-ferrous, and light alloy castings	25%	25%	10.8
599.999.9	Salts of chromium and zirconium for use in the tanning of hides and skins	25%	25%	10.8
599.999.9	Emulsifiers for the emulsification of fats and vegetable oils, viz., E10, E16, E18, E31, SWEDEX, and distilled mono glycerides	25%	25%	10.8
599.999.9	Water detecting capsules, for detecting the presence of water in aviation fuel	Free	Free	Free	24.0
599.999.9	FUMEXOL AS, an anti-frothing agent for use in dyeing ..	25%	25%	10.8
599.999.9	RETARDER A CIBA, a level dyeing assistant	25%	25%	10.8
599.999.9	UCON HYDROLUBE 275 CP, fluid for use in hydraulic systems	25%	25%	10.8
629.980.4	Rubber stoppers, self-sealing, for use in the manufacture of medical requisites	25%	25%	10.8
629.981.1	Rubber closures, self-sealing, for use in the manufacture of medical requisites	25%	25%	10.8
632.890.9	Wooden surgical applicator sticks	Free	10%	12½%	23.5
641.920.0	Self seal contact label paper, being a base paper coated with adhesive and mounted on a carrying sheet	25%	25%	10.8
641.958.1	FLEXOID oil resistant jointing paper	Free	Free	..
642.920.2	FORDIGRAPH HECTOGRAPH dye sheets in purple, black, red, green, blue, brown, and yellow	Free	20%	25%	..
642.930.3	Electrical insulation tape manufactured from creped paper backing, saturated with solution, and coated with electrical type pressure sensitive adhesive	Free	10%	20%	10.7
642.930.3	Electrical insulation tape, manufactured from flat paper backing, saturated with solution, and coated with thermosetting electrical type rubber based adhesive	Free	10%	20%	10.7
642.999.9	Electrocardiograph recording paper	Free	10%	12½%	23.5
653.212.5	Woollen headlining material for use in the trimming of motor vehicles	25%	25%	10.8
655.410.2	Bonded fibre dental napkins	Free	10%	12½%	23.5
655.610.1	Fishing cordage, specially braided or twisted, of cotton, linen, or synthetic material, level and tapered, and impregnated and/or coated with special oils or plastic material	Free	20%	25%	..
663.630.9	Plant propagation containers of peat and wood pulp	Free	Free	Free	10.3
665.110.3	Opal glass jars, for use in the packaging of cosmetics	Free	20%	25%	..
682.211.3	Bars and rods of copper alloy, viz: Welding points for resistance welding machines	Free	20%S	25%	10.2
