2. For the purpose of taking evidence on this subject, the Board will hold a public inquiry commencing on Wednesday, 24 October 1962, at 10.30 a.m., in the Conference Room, Second Floor, B.M.A. Building, 26 The Terrace, Wellington.

6. If a witness regards any particulars as confidential, he should embody them in a separate statement clearly marked "Confidential" and furnish eight copies to the Board when furnishing his statement of public evidence. The Board's view is, however, that as much of the evidence as possible should be included in the statement of public evidence, and that only those particulars, the making public of which would be clearly detrimental to the interests of the party represented, should be embodied in the confidential statement. The decision as to whether evidence shall be admitted as confidential will rest with the Board.
