No person shall light a fire in any position where it is likely to present a fire hazard.

Once a fire is lit, the person lighting the fire, or such other person as is detailed by him, shall remain in attendance on the fire until it is completely extinguished.

No match, lighted or not lighted, cigarette, or other lighted matter shall be dropped, thrown, or otherwise placed in any grass or other inflammable material.

The requirement for written permission of the Board may be waived in such cases as the Board may nominate at its discretion, but this does not absolve persons from compliance with any requirements that the Director of Civil Aviation may stipulate.
