

ORDER

1. This order may be cited as the Taumarunui Borough Council Water Power and Electric Lines Licence 1963.

2. Subject to the conditions hereinafter set forth, the Taumarunui Borough Council (hereinafter referred to as "the licensee") is hereby granted a licence to obstruct, impound, or divert the waters of the Wanganui River, to raise or lower the level thereof, and to take and use therefrom for the purpose hereinafter set forth a stream of water not exceeding 500 cu. ft. per second and also to lay, construct, put up, place, and use electric lines within the areas described in the First Schedule hereto, and also to lay, construct, put up, place, and use the electric lines described in the Second Schedule hereto.

3. The conditions directed to be implied in all licences by the Water Power Regulations 1934 and the Electrical Supply Regulations 1935, shall be incorporated herein and shall form part of this licence, except in so far as they may be inconsistent with the provisions of this licence.

4. This licence is issued under the Water Power Regulations 1934 and is subject thereto, and to the Electrical Supply Regulations 1935, the Electrical Wiring Regulations 1961, the Radio Interference Regulations 1958, and to all regulations made in amendment thereof or in substitution thereof, except in so far as they may be inconsistent with the provisions of this licence.

5. The water shall be taken from the Wanganui River at a point in Lot 1, D.P. 9422, Section 3, Block V, Hunua Survey District, as indicated on the plan marked N.Z.E.D. 597 deposited in the office of the New Zealand Electricity Department at Wellington. The water shall be used solely for the purpose of generating electricity provided that nothing in this licence shall prevent the use of water for supply to the Borough of Taumarunui.

6. The licensee is hereby authorised, subject to the conditions hereof, to construct, maintain, and use the works described in the Third Schedule hereto, the position of the said works being indicated on the said plan N.Z.E.D. 597.

7. The systems of supply shall be as described in paragraphs (a), (b), (c), (d), (e), and (f) of regulation 21-01 of the Electrical Supply Regulations 1935.

8. Nothing in this licence shall of itself be deemed to confer upon the licensee any right to water.

9. This licence shall, unless sooner lawfully determined, continue in force until the 31st day of March 1984.

10. The Orders in Council specified in the Fourth Schedule hereto and hereby revoked.
