

Setting Apart Maori Freehold Land as a Maori Reservation

BERNARD FERGUSSON, Governor-General
ORDER IN COUNCIL

At the Government Buildings at Wellington this 22nd day
of April 1963

Present:

THE HON. J. R. MARSHALL PRESIDING IN COUNCIL

PURSUANT to section 439 of the Maori Affairs Act 1953, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby sets apart the Maori freehold land described in the Schedule hereto as a Maori reservation for the purpose of a meeting place and recreation and sports ground for the common use and benefit of the owners and of Maoris in the Waikato-Maniapoto District.

The Whakatane Borough Council Electric Lines Licence 1963

BERNARD FERGUSSON, Governor-General
ORDER IN COUNCIL

At the Government Buildings at Wellington this 22nd day
of April 1963

Present:

THE HON. J. R. MARSHALL PRESIDING IN COUNCIL

PURSUANT to the Public Works Act 1928, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby makes the following order.

ORDER

1. This order may be cited as the Whakatane Borough Council Electric Lines Licence 1963.
2. Subject to the conditions hereinafter set forth, the Whakatane Borough Council (hereinafter referred to as "the licensee") is hereby authorised to lay, construct, put up, place, and use the electric lines described in the First Schedule hereto.
3. The conditions directed to be implied in all licences by the Electrical Supply Regulations 1935 and the Electrical Wiring Regulations 1961 shall be incorporated herein and shall form part of this licence, except in so far as they may be inconsistent with the provisions of this licence.
4. The licence hereby conferred is subject to compliance by the licensee with the Electrical Supply Regulations 1935, the Electrical Wiring Regulations 1961, the Radio Interference Regulations 1958, and with all regulations made in amendment thereof or in substitution therefor, except in so far as they may be inconsistent with the provisions of this licence.
5. The systems of supply shall be as described in paragraphs (a), (b), (d), (e) and (f) of regulation 21-01 of the Electrical Supply Regulations 1935.
6. This licence shall, unless it is sooner lawfully determined, continue in force until the 31st day of March 1984.
7. The Orders in Council specified in the Second Schedule hereto are hereby revoked.

FIRST SCHEDULE

ELECTRIC LINES

1. Lines for the transmission and supply of electrical energy within all that area in the Borough of Whakatane described in the First Schedule to the notice dated the 8th day of August 1950, and published in the *Gazette* on the 10th day of the same month at page 1566, redefining the boundaries of the Borough of Whakatane, the said area being more particularly shown outlined in purple on the plan marked N.Z.E.D. 609 deposited in the office of the New Zealand Electricity Department at Wellington.
2. A line for the transmission of electrical energy commencing at the Bay of Plenty Electric Power Board's 33kV transmission line in Rewatu Road, Whakatane County, and proceeding in a generally north-easterly direction, across the Whakatane River to a point on the southern boundary of the area described in clause 1 of this Schedule, in the vicinity of the junction of King and Churchill Streets, Whakatane Borough, the said line being more particularly delineated by means of a red line on the plan marked N.Z.E.D. 609 deposited as aforesaid.
3. A line for the transmission and supply of electrical energy to the Whakatane Borough Council's water pumping station commencing at a point on the southern boundary of the area described in clause 1 of this Schedule, in the vicinity of the junction of King and Churchill Streets, Whakatane Borough, and proceeding in a southerly direction to Arawa Road; and thence in an easterly direction along the northern side of that road to and across the Pokeno-Wellington via Gisborne State

Highway No. 2; and thence in a southerly direction along the eastern side of that highway to a point opposite the aforesaid pumping station; and thence across the highway to that pumping station, as the said line is more particularly delineated by means of a yellow line on the plan marked N.Z.E.D. 609 deposited as aforesaid.

SECOND SCHEDULE

ORDERS IN COUNCIL REVOKED

Date	Gazette Reference
21 April 1921	28 April 1921.
17 November 1924	20 November 1924.
31 August 1925	3 September 1925.

The Thames Valley Electric Power Board Electric Lines Licence 1963

BERNARD FERGUSSON, Governor-General
ORDER IN COUNCIL

At the Government Buildings at Wellington this 22nd day
of April 1963

Present:

THE HON. J. R. MARSHALL PRESIDING IN COUNCIL

PURSUANT to the Public Works Act 1928 and the Electric Power Boards Act 1925, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby makes the following order.

ORDER

1. This order may be cited as the Thames Valley Electric Power Board Electric Lines Licence 1963.
2. Subject to the conditions hereinafter set forth, the Thames Valley Electric Power Board (hereinafter referred to as the licensee) is hereby authorised to lay, construct, put up, place, and use the electric lines and to construct the electric works described in the Schedule hereto.
3. The conditions directed to be implied in all licences by the Electrical Supply Regulations 1935 and the Electrical Wiring Regulations 1961 shall be incorporated herein and shall form part of this licence, except in so far as they may be inconsistent with the provisions of this licence.
4. The licence hereby conferred is subject to compliance by the licensee with the Electrical Supply Regulations 1935, the Electrical Wiring Regulations 1961, the Radio Interference Regulations 1958, and with all regulations made in amendment thereof or in substitution therefor, except in so far as they may be inconsistent with the provisions of this licence: Provided that the licensee shall not by virtue of this clause be required, except in the normal course of alteration, repair, or maintenance, to reconstruct, in conformity with the regulations hereinbefore mentioned, any existing electric line or work which conformed to the regulations in force at the time of the construction thereof and has not become a hazardous line as described in the Electrical Supply Regulations 1935.
5. The systems of supply shall be as described in paragraphs (a), (b), (c), (d), (e), (f), and (j) of regulation 21-01 of the Electrical Supply Regulations 1935. The system of supply authorised under paragraph (j) shall be a single-conductor earth-return system and the use thereof shall be subject to the terms and conditions laid down by the General Manager of the New Zealand Electricity Department.
6. This licence shall, unless it is sooner lawfully determined, continue in force until the 31st day of March 1984.
7. The electric lines and works described in paragraphs 2 and 3 of the First Schedule hereto shall not be used by the licensee for the purpose of supply to retail consumers in the Boroughs of Thames and Te Aroha respectively.
8. The Thames Valley Electric Power Board Electric Lines Licence 1959* is hereby revoked.

SCHEDULE

1. Lines and works for the transmission and supply of electrical energy within those parts of the Thames Valley Electric Power District defined in the Third Schedule to the Proclamation dated the 2nd day of March 1950, and published in the *Gazette* on the 9th day of the same month at page 238, and in the Proclamation dated the 7th day of March 1958, and published in the *Gazette* on the 13th day of the same month at page 328, with the exception of the Boroughs of Thames and Te Aroha.
2. Lines and works for the transmission of electrical energy within the Borough of Thames as follows:
 - (a) A line commencing at the intersection of the southern boundary of the Borough of Thames with Jellicoe Crescent; thence northerly along Jellicoe Crescent to Fenton Street.
