

## ORDER

1. This order may be cited as the Hawea Flat Irrigation District Order 1963.

2. The Minister of Works is hereby authorised to construct, maintain, and control the water supply works described in the First Schedule hereto to serve the district described in the Second Schedule hereto.

3. The area of land described in the Second Schedule hereto is hereby constituted as an irrigation district to be known as the Hawea Flat Irrigation District (herein referred to as the district).

4. It is hereby declared that the water quotas for the land in the district not exempted, pursuant to section 13 of the Public Works Amendment Act 1960, shall be 20 in. over the land commanded by supply points receiving water from the main gravity races and 17 in. over the land commanded by supply points receiving water from the main pumping race.

5. It is hereby declared that the irrigation charge which will be payable for half of the respective water quotas shall be thirty shillings (30s.) per acre of land in the district commanded by supply points and not exempted as aforesaid, reducible over the first nine irrigation seasons of supply to the charges set out in the Third Schedule hereto.

6. It is hereby declared that the respective charges which will be payable for such water as may be supplied in excess of half the proposed water quotas, but not in excess of the total proposed water quotas shall be at the rate of eighteen shillings (18s.) per acre-foot for water received from supply points from the main gravity races and twenty-one shillings (21s.) per acre-foot for water received from supply points from the main pumping race.

FIRST SCHEDULE  
WATER SUPPLY WORKS

THE Hawea Flat Irrigation Works (for the irrigation of the district) by means of water drawn from Lake Hawea and from any dam or dams which are or may be constructed or required on the said lake, such water being conveyed into the district by a race or races constructed or acquired by the Minister of Works or by any enlargement or extension thereof; the said works including all dams, weirs, reservoirs, tunnels, fluming, siphons, piping, gauge boxes, and races and all other works incidental to or required for the construction, maintenance, and control of the said works for the irrigation of the district.

*Authorising Lloyd James Veint, Farmer, of Diamond Lake, Otago, to Use Water for the Purpose of Generating Electricity and to Erect and Use Certain Electric Lines*

BERNARD FERGUSSON, Governor-General

ORDER IN COUNCIL

At the Government House at Wellington this 2nd day of October 1963

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL

PURSUANT to the Public Works Act 1928, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby grants to Lloyd James Veint, Diamond Lake, Otago, farmer (hereinafter referred to as the licensee), a licence, subject to the conditions hereinafter set forth, to take and use from Swamp Creek (hereinafter referred to as the said stream), situated in State Forest Block 29, Block 2, Dart Survey District, for the purpose hereinafter set forth, a stream of water not exceeding one and a half cubic feet per second at any one time, and to lay, construct, put up, place, and use the electric lines hereinafter described.

CONDITIONS

IMPLIED CONDITIONS

1. The conditions directed to be implied in all licences by the Water Power Regulations 1934 and the Electrical Supply Regulations 1935 shall be incorporated in and shall form part of this licence, except in so far as the same may be inconsistent with the provisions hereof.

LICENCE SUBJECT TO REGULATIONS

2. This licence is issued under the Water Power Regulations 1934, and is subject thereto, and to the Electrical Supply Regulations 1935, the Electrical Wiring Regulations 1961, the Radio Interference Regulations 1958, and to all regulations hereafter made in amendment thereof or in substitution therefor respectively.
