

Tariff and Development Board Notice No. 29—Public Inquiry Into Import Duties on Fork Lift Trucks

1. The Tariff and Development Board proposes to inquire into and report on the question of the withdrawal of the present provisions allowing entry at concessionary rates of import duty of the following goods:

Tiering or fork lift trucks (including attachments such as crane booms, shovels or scoops, barrel forks, reel and drum clamps specially designed for use therewith) being self-propelled hoists for lifting goods on elevating forks or booms and stacking them in tiers.

The above goods are at present approved for entry at the following concessionary rates of import duty:

British Preferential	Most Favoured Nation	General Tariff
Free	20%	25%

Withdrawal of the concessional entry for the above-mentioned goods would result in such goods being liable to duty at the rates applicable to fork lift trucks under Tariff Item 719.320.1, viz:

British Preferential	Australian Agreement	Canadian Agreement	General Tariff
25%	35%	35%	60%

In conjunction with this inquiry the Board will also review the following provisions for concessional entry of certain goods for use in the manufacture of fork lift trucks:

(a) Fork lift trucks, component parts of, as may be approved, imported in unassembled sets, when declared by a manufacturer for use by him only in the manufacture of fork lift trucks.

The present concessionary rates of import duty in respect of such goods are:

British Preferential	General Tariff
Free	10%

(b) The following materials on declaration by a manufacturer for use by him only in making fork lift yarding machines:

Axles, drive
Converters, torque
Transmissions, power shift

The rates of import duty in respect of this concession are Free all sources.

2. For the purpose of taking evidence on this subject the Board will hold a public inquiry commencing on Monday, 8 March 1965, at 10.30 a.m., in the Board Room, First Floor, New Zealand Law Society Building, Waring Taylor Street, Wellington.

3. Any person who intends to tender evidence should comply with the "Notes for the Guidance of Witnesses", which have been prepared by the Board. A copy of these notes may be obtained from the undernamed.

4. Twelve copies of a typewritten statement of the evidence to be tendered, compiled in accordance with these notes, should be lodged with the undernamed not later than Monday, 22 February 1965. Each statement will need to be presented under oath at the public inquiry by the person tendering it.

Dated at Wellington this 9th day of November 1964.
