Explanation

Column 1—This contains the name of each valuer who at 31 March 1965 is the holder of an Annual Practising Certificate issued under section 35 of the Valuers Act 1948. A valuer who is registered and makes valuations for members of the public is required to hold a current Annual Practising Certificate in order to retain the full rights of registration.

Column 2—This gives the postal address, either business or residential, as on the application for the Annual Practising Certificate.

Column 3—This shows the classification under which the Board has accepted the valuer's qualifications for registration. Valuing is classified only in the three main branches of rural, urban, or rural and urban. These classifications are outlined in section 20 of the Valuers Act 1948 as follows:

"20. (1) Every person entitled to be registered as a valuer under this Act whom the Board considers competent to value farm land only shall be registered as a rural valuer.

"(2) Every person so entitled whom the Board considers competent to value only land other than farm land shall be registered as an urban valuer.

"(3) Every person so entitled whom the Board considers competent to value both farm and other land shall be entitled to be registered as both a rural valuer and an urban valuer."

Column 4—This indicates the subsection of section 19 of the Valuers Act 1948 under which the valuer has been registered. These subsections are:

"19. (1) Every person who has attained the age of 25 years and who immediately before the commencement of this Act was a member of the New Zealand Institute of Valuers (Incorporated) shall be entitled to be registered under this Act, if he makes application for registration within three months after the commencement of this Act, and satisfies the Board that he is of good character and reputation and has not less than three years' practical experience in New Zealand in the valuing of land.

"(2) Every other person who has attained the age of 25 years shall be entitled to be registered under this Act, if he satisfies the Board that he is of good character and reputation and—

"(a) That he holds a recognised certificate as defined in the next succeeding subsection and has had not less than three years' practical experience in New Zealand in the valuing of land within the 10 years immediately preceding the making of his application; or

"(b) That he has passed an examination or examinations approved by the Board and has had not less than three years' practical experience in New Zealand in the valuing of land within the 10 years immediately preceding the making of his application;

"Provided that the Board shall permit the registration of any other person who has attained the age of 25 years and who makes application for registration within one year after the commencement of this Act, and who satisfies the Board that he is of good character and reputation, that he has had three years' practical experience in New Zealand in the valuing of land within the 10 years immediately preceding the making of his application, and is a fit and proper person to be registered as a valuer.

"(3) For the purpose of this section the term 'recognised certificate' means a certificate, diploma, degree, or licence granted by a university college, board, or other authority (whether in New Zealand or elsewhere) and recognised by the Board as furnishing sufficient evidence of the possession by the holder thereof of the requisite knowledge of land valuing."
