1. The classified or local rates or haulage charges on goods for shipment cover the placing of the wagons containing such goods at the ship's side. Where a request is made to the Department, either before or after the wagons are placed at the ship's side, for the wagons to be sorted for a particular hold or port of discharge, and such sorting necessitates additional shunting work beyond that which would ordinarily be required to place such wagons at the ship's side, or where, owing to a ship moving to another berth, wagons which have already been placed at the ship's side require to be moved to the ship's side in its new berth, the additional service will be charged for at the rate of £4 8s. per hour; minimum charge, £1 2s. for each service.
