Tariff and Development Board Notice No. 38—Public Inquiry Into Import Duties and Import Licensing Affecting Pumps for Use in the Manufacture or Repair of Agricultural or Horticultural Motor-driven Spray Units

1. The Tariff and Development Board proposes to inquire into and report on the question of what rates of import duty should be imposed on pumps suited for use in the manufacture or repair of agricultural or horticultural motor-driven spray units and whether the present provisions allowing entry at concessionary rates of duty for certain specified types of pumps should be withdrawn or amended to cover only certain of such pumps. The inquiry will also include import licensing as affecting such goods. These pumps are included in the following tariff item:

Item No.

719.210.9 Other pumps and liquid elevators.

The present rates of import duty in respect of this item are:

British Preferential: 25 per cent.
Australian Agreement: 35 per cent.
Canadian Agreement: 35 per cent.
General Tariff: 60 per cent.

Concessionary entry free of duty from all sources is at present provided under Part II of the Tariff, Reference 10.3, for the following pumps:

Pumps, piston, and diaphragm types, as may be approved, when declared by:

- (a) A manufacturer that they will be used by him only in the manufacture or repair of motor-driven spray units; or
- (b) By an importer that they will be sold by him only for use in the manufacture or repair of motor-driven spray units.

National Roads Act 1953—Declaration of Subsidised Works

PURSUANT to section 2 of the National Roads Act 1953, as amended by section 2 of the National Roads Amendment Act 1959, the National Roads Board has, by resolution dated the 22nd day of July 1965, varied its declaration of subsidised works dated the 13th day of April 1960 and published in *Gazette*, 21 April 1960, No. 26, page 528, in the following manner:

By deleting paragraph numbered 11 and substituting therefor:

"11. Hire charges on an hourly basis (working time only) for plant, but not the capital cost of plant used in the construction and maintenance of roads, at rates adopted by the local authority, such rates to cover the cost of plant operation at no profit after making the following transfers from Plant and Machinery Operating Account and complying with the conditions enumerated below:

- (a) Depreciation, based on the estimated working life of each machine and limited to the capital cost of the machine is to be transferred to a Plant Purchase or Renewal Fund Account or other appropriate reserve account.
- (b) Subject to statutory requirements (e.g., section 104 of the Local Authorities Loans Act 1956) sales of plant are to be credited to the Plant and Machinery Operating Account. Where plant is not fully depreciated and is sold or otherwise disposed of, the book value is to be transferred from the Plant and Machinery Operating Account to the Plant Renewal Fund Account.
