In the matter of the Charitable Trusts Act 1957 and in the matter of the estate of Arthur Powys Whatman, late of Masterton, retired sheep farmer, deceased, notice is hereby given of an application by the Wairarapa Hospital Board, a trustee under the will of Arthur Powys Whatman, late of Masterton, retired sheep farmer, deceased, for approval under Part III of the above-mentioned Act of a scheme for the disposition of the property (including the home known as “Panama”) and income vested in or payable to the Board under the said will.

Particulars of the scheme are as follows: In these particulars “the Council” means the Mayor, Councillors, and Citizens of the Borough of Masterton and “the Society” means the Friends of Senior Citizens Incorporated.

1. The scheme is for the disposition of the trust property, which property is now the trust realty as defined in clause 10 of the said will and being more particularly described in the Schedule hereto (which really includes “Panama” as defined in the said clause 10) and all buildings, erections, chattels, household effects and things therein held in trust by the Board under clauses 10 and 11 of the said will.

2. The scheme is also for the disposition of the income to be derived in the future from the residuary estate of the testator, referred to in clause 12 of the said will.

3. The Board shall transfer the trust property, subject to any lease or tenancy, to the Council, and from and after such transfer the provision of paragraphs 4 to 16 (inclusive) hereof shall take effect (the date of such transfer being hereinafter referred to as “the date of transfer”).

4. The Council shall from the date of transfer hold the trust property upon trust for the benefit of the aged or needy, subject however to the restrictions and provisions appearing in paragraphs 5 to 16 (inclusive) hereof.

5. The Council shall within a period of two years after the date of transfer complete the erection upon a suitable portion of the trust realty of 10 housing or villa units suitable for the accommodation of aged or needy persons and shall thereafter administer such units in accordance with the Government’s pensioner housing policy.

6. Thereafter the Council shall use such further portion of the trust realty as shall from time to time prove necessary for the erection thereon of further houses or villas suitable for the accommodation of aged or needy persons and shall allow such houses or villas to be occupied by the aged or needy at such rentals and upon and subject to such terms and conditions as the Council shall from time to time determine.

7. The Board shall maintain and care for the present residents of Panama (and any further persons it admits to Panama in the meantime) from the date of transfer until the
10 units referred to in paragraph 5 hereof are completed and ready for occupation (which point of time is hereinafter referred to as "the date of settlement") and shall if it so desires, offer to lease to the Council at a rental of one shilling per annum for the period from the date of transfer to the date of settlement of the Panama buildings and such portions of the ground and access as shall be necessary for the purposes of this paragraph.

8. On the date of settlement the Council shall offer to each of the persons then resident in Panama the right to occupy one of the units referred to in paragraph 5 hereof at the rental fixed therefor in accordance with the Government's pensioner housing policy.

9. On the date of settlement, if any of the persons then resident at Panama have not been suitably accommodated elsewhere shall the Council lease the Panama buildings to the Society upon the following terms and conditions:

(a) The lease shall commence on the date of settlement and shall continue until the Society is able to give vacant possession of the Panama buildings to the Council.

(b) The rental shall be one shilling per annum.

(c) The Council shall be responsible for the repair and maintenance of the buildings and for insuring the buildings to their full insurable value.

(d) The Society shall maintain and care for the persons resident in Panama on the date of settlement until such persons are suitably accommodated elsewhere and shall provide such staff and other services as shall be necessary from time to time to accomplish that purpose.

(e) After the date of settlement no further persons shall be admitted as residents of Panama.

(f) The Society may charge the residents of Panama such weekly sum for their accommodation as the Council think fit.

10. As soon as is practicable after the expiry of the lease referred to in paragraph 9 hereof the Council shall convert the Panama buildings into a recreational centre for the use and enjoyment of the occupants of the houses or villas erected upon the trust realty.

11. The Council shall be entitled to such further portion or portions of the trust property as shall from time to time be necessary to accomplish the purpose of this paragraph. However, the Council shall be entitled to such time as it shall think fit to desirability of the better enjoyment of the trust property by the occupants of the houses or villas erected upon the trust realty.

12. Any portion or portions of the trust realty not for the time being required for the purposes of the trusts specified in paragraphs 5, 6, 10, and 11 hereof may be used by the Council as it thinks fit for the provision of recreational amenities for the benefit of the Borough of Masterton or to the maintenance, upkeep, repair, improvement, or enhancement of the said trust realty or any part thereof.

13. The Council shall have in respect of the trust property all the powers conferred upon a trustee by the provisions of the Trustee Act 1956 with the exception that the Council shall have no power to sell or exchange the trust realty or any part thereof without the prior consent of the Honourable Court.

14. The income to be derived from the trust property after the date of settlement and the proceeds of the sale of any part thereof shall be applied by the Council towards the maintenance, upkeep, repair, improvement, or development of the trust property or the repayment of any liabilities in respect of the trust property or any part thereof as the Council shall think fit.

15. The income derived upon the trust realty in accordance with the provisions of paragraphs 5, 6, 10, and 11 hereof shall bear a suitable name incorporating the word "Whatman" or the property shall be known as "Whatman Island".

16. All income to be derived from the residuary estate of the testator shall:

(a) Until the date of settlement be paid by the Public Trustee to the Board.

(b) As from the date of settlement be paid by the Public Trustee to the Council in or towards the maintenance, upkeep, repair, improvement, or development of the trust property or the repayment of any liabilities in respect of the trust property or any part thereof as the Council shall think fit.

During the continuance of the lease referred to in paragraph 9 hereof the Council may pay such part or parts of such income as it shall from time to time think fit to the Society to be applied in or towards meeting the costs incurred by the Society in carrying out its obligations under the said lease.

17. All income to be derived from the trust property between the date of transfer and the date of settlement shall be paid to the Board.

18. This scheme is in substitution for the trusts imposed by clauses 10, 11, and 12 of the said will of the testator.

19. The costs of the Attorney-General, the Board, the Council, and the Society of and incurred in relation to this scheme shall be paid out of the said residuary estate.
