

Order No. 1 (1966) of the Trade Practices and Prices Commission

In the matter of the Trade Practices Act 1958 and in the matter of an agreement or arrangement between members of the Brewers Association of New Zealand Incorporated relating to the price of beer.

WHEREAS the Trade Practices and Prices Commission has, pursuant to section 18 of the Trade Practices Act 1958, conducted an inquiry into an agreement or arrangement between members of the Brewers Association of New Zealand Incorporated whereby the members of the said Association agreed upon the prices to be charged by members for beer.

And whereas the Trade Practices and Prices Commission is of opinion that the said agreement or arrangement is a trade practice under section 19 of the Trade Practices Act 1958 which is contrary to the public interest under section 20 of the said Act.

Now, therefore, the Trade Practices and Prices Commission, pursuant to sections 19 and 21 of the Trade Practices Act 1958, by consent hereby orders that:

- (a) The Brewers Association of New Zealand Incorporated and the members thereof:
 - (i) Discontinue the practice of fixing, nominating, or recommending the prices and terms and conditions on which brewers shall sell beer;
 - (ii) Refrain from reviving this practice in any form whether as members of the Brewers Association of New Zealand Incorporated or otherwise howsoever.
- (b) The Brewers Association of New Zealand Incorporated:
 - (i) Pass a resolution within twenty-eight (28) days of the gazetting of this order rescinding all resolutions which gave rise to the said agreement or arrangement and declaring it to be the policy thenceforth of the said Association not to decide, recommend, or enforce the prices or terms on which its members shall sell beer;
 - (ii) Promulgate such resolution to all member brewers within fourteen (14) days of its being passed and furnish the Examiner of Trade Practices and Prices with advice that this has been done, accompanied by a copy of the resolution itself.

Provided however that in the event of beer duty, as defined in the Finance Act 1915, being increased at any time after the coming into force of this Order, nothing in this Order shall prevent the members of the said Association agreeing upon the action if any to be taken by each of them to recover any such increase in beer duty by increasing the price of beer sold by them.

Provided further however that any increase in the price of beer resulting from any such agreement shall not exceed the amount necessary to recover any such increase in beer duty.

Dated at Wellington this 26th day of May 1966.

The seal of the Trade Practices and Prices Commission was affixed hereto in the presence of—

B. S. BARRY, Chairman.
F. F. SIMMONS, Member.
J. R. DENCH, Member.
