Order No. 3 (1966) of the Trade Practices and Prices Commission

IN the matter of the Trade Practices Act 1958 and in the matter of a report by the Examiner of Trade Practices and Prices into the terms on which the New Zealand Farmers' Fertilizer Co. Ltd. has agreed to sell phosphatic fertilizer to the Waikato Farmers Traders' Society Ltd. and the Taranaki Rural Traders' Society Ltd.

WHEREAS the Trade Practices and Prices Commission has received from the Examiner of Trade Practices and Prices (hereinafter referred to as "the Examiner") a report, pursuant to section 17 of the said Act, in which it was alleged that the New Zealand Farmers' Fertilizer Co. Ltd. (hereinafter referred to as "the company") refused to accept orders from the Waikato Farmers Traders' Society Ltd. and the Taranaki Rural Traders' Society Ltd. (hereinafter referred to as "the societies") under the terms applicable to incorporated farmers' organisations, as defined in clause 4 (1) (e) of the price order relating to phosphatic fertilizers (hereinafter referred to as "the price order");

And whereas the said Examiner's report alleged that this refusal was a trade practice, in terms of section 19 (2) (i) of the said Act, which was contrary to the public interest in terms of section 20 (1) (a) and (d) of the said Act;

And whereas in the said report of the Examiner he stated that he had conducted conciliation proceedings with the company under the provisions of section 16A of the said Act, and that the company, while denying the examiner's allegations that its action was a trade practice which was contrary to the public interest, nevertheless had agreed to accept orders from the societies under the terms specified in the said price order, on specific terms to obviate the risk of financial loss to the company in trading with the societies, and that the said societies had agreed to the specific terms as to payment for the supplies;

And whereas the Examiner has recommended that the Commission should make an order under section 19 of the said Act to direct the company to discontinue the practice of refusing to accept orders from the societies, provided the said societies conform to the procedure agreed upon by the company and the societies relating to the payment by the societies prior to delivery of the fertilizer by the company;

And whereas the Commission is satisfied that all persons who would be bound by any order made by the Commission pursuant to the recommendation by the said Examiner in the said report have concurred with the recommendation made by the said Examiner in the said report and the Commission has dispensed with an inquiry under section 18 of the said Act:
