#### Auditors' Report

We have obtained all the information and explanations that we have required. In our opinion proper books of account have been kept by the bank, and proper returns adequate for the purposes of our audit have been received from branches, none of which has been visited by us. In our opinion, according to the best of our information and the explanations given to us and as shown by the said books, the balance sheet and the profit and loss account are properly drawn up so as to give respectively a true and fair view of the state of the company's affairs as at 31 March 1966, and of the result of its business for the year ended on that date.

According to such information and explanations the accounts, the balance sheet, and the profit and loss account give the information required by the Companies Act 1955, in the manner so required.
