**Indemnification of Refugees**

The Minister of External Affairs has been informed that the Government of the Federal Republic of Germany has undertaken to put at his disposal a further amount of DM3,500,000, to assist persons persecuted under the national-socialist regime by reason of their nationality. This assistance is intended for those national persecutees who, because they were not refugees on 1 October 1933, did not qualify under the UNHCR Indemnification Fund established in 1961.

A supplementary UNHCR Indemnification Fund has been set up, from which payments may be made to national persecutees who were detained in concentration camps, prisons, or similar places of detention for at least three months, as well as to the surviving dependants of national persecutees who have died as a result of national-socialist persecution, if the applicants either:

(a) as refugees within the meaning of the Geneva Convention relating to the Status of Refugees, acquired a new nationality after the end of persecution but before 1 October 1953, or

(b) became refugees within the meaning of that Convention after 1 October 1953 but not later than 31 December 1965.

Persons who consider that they meet those criteria should submit applications to:

The Indemnification Section, UNHCR, Palais des Nations, 1211 Geneva 10

not later than 30 September 1967. Everybody wishing to benefit from the Supplementary Fund must submit a new application. Applications previously submitted to any other authority, or to the High Commissioner's first Indemnification Fund in respect of loss of liberty or life and should, where applicable, pursue each application with the office dealing with it.

Dated at Wellington this 28th day of March 1967.
