2. The Manurewa Fire Committee, the Beachlands Fire Brigade Committee, and the Papakura Fire Committee are hereby dissolved, and to the extent that the Manukau City Council and the Papakura Borough Council are the Urban Fire Authorities for the said districts, they shall cease to be the Urban Fire Authorities for those districts.

3. The districts of Manukau City (but excluding therefrom that portion of the district of the said City constituted as the Hunua Rural Fire District), New Lynn Borough, and Papakura Borough are hereby included in the Auckland Metropolitan Fire District.

4. Until the provisions of the proviso to section 23 (2) of the Fire Services Act 1949 have been suitably amended, the membership of the Auckland Metropolitan Fire Board shall be increased to 11 by the addition of one member to represent both Manukau City and Papakura Borough and one member to represent the insurance companies carrying on business within the Auckland Metropolitan Fire District as hereby altered.

5. The election of the member to represent Manukau City and Papakura Borough on the Auckland Metropolitan Fire Board is to be in accordance with the voting provisions of the proviso to section 23 (2) of the Fire Services Act 1949, and for the purpose of assessing the entitlement to votes of the Manukau City Council in any such election, the capital value of the rateable property in the Manukau City District shall be the sum of the capital value of the area of the former Borough of Manurewa, together with the inner area of the former Manukau County, as such inner area is defined by the Auckland Metropolitan Drainage Act 1960 (including the parts added thereto as from the 1st day of April 1961), plus 25 percent of the capital value of the outer area of the former Manukau County now included in the City of Manukau, as such outer area is defined by the Auckland Metropolitan Drainage Act 1960, with the exception however of that portion of the district of the said City constituted as the Hunua Rural Fire District.

7. Upon the Manukau City Council ceasing to be the Urban Fire Authority for the Manurewa Urban Fire District and for the Beachlands Secondary Urban Fire District and upon the Papakura Borough Council ceasing to be the Urban Fire Authority for the Papakura Urban Fire District, the provisions of section 74 (c) of the Fire Services Act 1949 shall apply; provided that in the case of the Manukau City Council the area of land on which the Manurewa Fire Station building is now standing, together with such building, and also the land between that building and the road together with the right to use and have access to the existing hose tower shall be exempt from the operation of section 73 of the said Act and shall be leased to the Auckland Metropolitan Fire Board by the Manukau City Council for a term of five years from the date hereof at a peppercorn rental, together with a right of renewal of such lease for a further term of five years at the same rental; and provided that at the termination of such renewed lease the Manukau City Council shall pay to the Auckland Metropolitan Fire Board an amount equal to the value of the said land and buildings as at the date hereof, and for the purpose of arriving at the amount of such payment the provisions of section 73 (6) of the Fire Services Act 1949 shall apply; and provided further, that in the case of the Papakura Borough Council the land and buildings used for the purpose of a fire station by the said council shall be exempt from the operation of section 73 of the said Act and shall be leased to the Auckland Metropolitan Fire Board by the Papakura Borough Council for a term of five years from the date hereof at a peppercorn rental, together with a right or renewal of such lease

for a further term to be agreed on by the parties thereto and at the same rental; and provided that at the termination of such renewed lease the Papakura Borough Council shall pay to the Auckland Metropolitan Fire Board an amount equal to the value of the said buildings only as at the date hereof and shall transfer to the Auckland Metropolitan Fire Board an alternative area of land suitably zoned for a Fire Station, together with any necessary ancillary building sites to the satisfaction of the Auckland Metropolitan Fire Board, and for the purpose of arriving at the amount of such payment the provisions of section 73 (6) of the Fire Services Act 1949 shall apply.

8. Where any real or personal property or right becomes vested in the Auckland Metropolitan Fire Board by virtue of this scheme and the title of the Manukau City Council or the Papakura Borough Council is, or should have been, entered in any register required by law to be kept, the Registrar or other person whose duty it is to keep the register shall, on the request in writing of the Auckland Metropolitan Fire Board, and on being satisfied by statutory declaration, or otherwise, of the title of the Manukau City Council or the Papakura Borough Council without payment of any fee, enter in the register the name of the Auckland Metropolitan Fire Board as the owner of the property or right instead of the said Councils.
