Order No. 4 (1967) of the Trade Practices and Prices Commission

IN the matter of the Trade Practices Act 1958 and in the matter of a collective agreement to make uniform charges for the sharpening and repair of lawnmowers:

WHEREAS the Trade Practices and Prices Commission has received from the Examiner of Trade Practices and Prices (hereinafter referred to as "the Examiner") a report, pursuant to section 17 of the said Act, in which it was alleged that persons in and adjacent to Christchurch, engaged in the performance of sharpening and repairing lawnmowers, had formed a trade association known as the New Zealand Lawnmower Servicing Association (hereinafter referred to as "the Association"), and had at its inaugural meeting adopted a common price list;

And whereas in the said report the Examiner further alleged that the common price list was promulgated in the form of a printed display chart to all members of the Association, and that the minimum prices quoted therein were observed by a substantial majority of the said members;

And whereas the Examiner in the said report alleged that the pricing arrangement operated by the Association and its members was a trade practice in terms of section 19 (2) (c) of the said Act, and was contrary to the public interest in terms of section 20 (1) (d) of the said Act;

And whereas in the said report the Examiner stated that the requirements of section 16A of the said Act have been complied with;

And whereas in the said report the Examiner further stated that the said Association had agreed to abandon the trade practice and had consented to the nature of his recommendation to the Trade Practices and Prices Commission as to an order under section 19 of the said Act in respect of the said trade practice;

And whereas the Examiner has recommended that the said Commission should make the said order under section 19 of the said Act;

And whereas the said Commission is satisfied that all persons who would be bound by the said order have concurred with the said recommendation, and the Commission has dispensed with an inquiry under section 18 of the said Act;

And whereas the said Commission has decided that an order of the nature recommended by the Examiner in the said report should be made under the said Act:

Now, therefore, the Trade Practices and Prices Commission hereby orders and directs the New Zealand Lawnmower Servicing Association and its members:

- (i) To discontinue the practice of consulting together for the purpose of jointly fixing, nominating, or recommending prices, discounts, or terms of trade;
- (ii) To cancel and withdraw any price chart or other notification of prices, discounts, or terms of trade issued by the Association for the guidance of and use by members; and
- (iii) To refrain from reviving this practice in any form whatsoever, and from entering into any agreement or arrangement which would have substantially the same effect.

Dated at Wellington this 5th day of December 1967.

The seal of the Trade Practices and Prices Commission was affixed hereto in the presence of:

[L.S.] B. S. BARRY, Chairman.
