We have examined the balance sheet of Taranaki Savings Bank as of 31 March 1967, and the related profit and loss account for the year then ended. Our examination was made in accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. In our opinion, the accompanying balance sheet and profit and loss account present fairly the financial position of Taranaki Savings Bank at 31 March 1967, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.
