We have examined the records and financial accounts of the Wanganui Savings Bank for the year ended 31 March 1967. Our examinations were made in accordance with the general principles of auditing and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. In our opinion, the accompanying balance sheet with notes attached, and profit and loss account present fairly the financial position of the Wanganui Savings Bank at 31 March 1967, and the results of its operations for the year then ended.

| The above balance sheet and attached profit and loss account | | | | |

The above balance sheet and attached profit and loss account are in agreement with the books which, in my opinion, have been properly kept. I obtained the information and explanations I required.

In my opinion the above balance sheet and profit and loss account comply with the Trustee Savings Banks Act 1948, in the manner authorised for trustee savings banks. On such basis, they give, in my opinion, a true and fair view of the state of affairs and of the profit of the bank.

D. T. SPRING, Public Accountant, Auditor.
