

3. The conditions directed to be implied in all licences by the Electrical Supply Regulations 1967 and the Electrical Wiring Regulations 1961 shall be incorporated herein and shall form part of this licence, except in so far as they may be inconsistent with the provisions of this licence.

4. The licence hereby conferred is subject to compliance by the licensee with the Electrical Supply Regulations 1967, the Electrical Wiring Regulations 1961, the Radio Interference Regulations 1958, and with all regulations made in amendment thereof or in substitution therefor, except in so far as they may be inconsistent with the provisions of this licence.

5. The systems of supply shall be as described in paragraphs (a), (b), (c), (d), (e), (f), (h), and (j) of regulation 15 of the Electrical Supply Regulations 1967. The system of supply authorised under paragraph (j) aforesaid shall be a single conductor earth-return system at voltages of 6,600, 11,000, and 22,000, but a single conductor earth-return system at voltages of 3,810, 6,350, and 19,000 volts may be used where it is already in operation at the date hereof. The use of the earth-return system of supply shall be subject to such terms and conditions as are from time to time laid down by the General Manager of the New Zealand Electricity Department.

6. This licence shall, unless it is sooner lawfully determined, continue in force until the 31st day of March 1989.
