

thence westerly generally along that watershed to Trig. YI, Block XIII, Skiddaw Survey District; thence south-westerly along the south-eastern boundary of Reserve 5002 and westerly along the southern boundaries of Reserve 4380 and Run 286 to the point of commencement.

#### UPPER AWATERE RIDING OF COUNTY OF AWATERE

ALL that area of land in the Marlborough, Nelson, and Canterbury Land Districts bounded by a line commencing at a point on the right bank of the Awatere River, in line with the south-western boundary of Section 30, Wakefield Downs Registration District, in Block VIII, Clifford Bay Survey District; thence north-westerly to and along that boundary and its production to the middle line of the Redwood Pass Road; thence south-westerly along that middle line to the intersection with the middle line of the unformed legal road forming the south-west boundary of Section 29, Wakefield Downs Registration District; thence north-westerly along the middle line of the said unformed road and the south-west boundary of part Lot 8, D.P. 620, and its productions across the South Island Main Trunk Railway and the south-west boundary of part Section 2, Block V, Clifford Bay Survey District, and its production across State Highway No. 1 to the south-east boundary of Lot 1, D.P. 1688; thence north-easterly along a right line to and along the south-east boundary of part Lot 1, D.P. 953, and north-westerly along the north-eastern boundary to the northern corner of the said Lot 1; thence south-westerly along the north-west boundary of the said Lot 1 and its production to and along the north-west boundary of Lot 1, D.P. 1688, and its production to the middle of Boundary Stream in Block IV, Clifford Bay Survey District; thence north-westerly along the said middle line to Maxwell Pass, and westerly and southerly along the middle of a tributary of the Taylor River to its confluence with the Taylor River in Block IX, Taylor Pass Survey District; thence due south to the south-western side of Taylor Pass Road and southerly generally along that roadside to a point due north of the confluence of the Taylor Pass Creek with the Taylor River in Block XIII, Taylor Pass Survey District; thence due south to the middle of the Taylor River; thence south-westerly generally up the said middle line to a point in line with the south-west boundary of Section 44, Omaka Registration District, in Block XII, Taylor Pass Survey District; thence north-westerly to and south-westerly generally along the watershed between the Wairau and Awatere Rivers to its junction in Block I, Upcot Survey District, with the eastern boundary of Run 220; thence generally northerly, westerly, and south-westerly along the eastern, northern, and north-western boundaries of the said Run 220 (Richmondale) to the Saxton Saddle in Block V, Molesworth Survey District; thence generally south-westerly and southerly along the north-western and western boundaries of Run 226 (Molesworth) to a point in Block IV, Wairau Survey District, bearing 100° true, distant approximately 1 mile from Trig. Station BW; thence generally south-westerly along the south-eastern watershed of the Wairau River, through Trig. Station F, to Mount Tarndale in Block XVI, Rainbow Survey District; thence generally westerly along the southern watershed of the said Wairau River, through Mount Balaclava and Island Pass to Mount Maling in Block XIII, Rainbow Survey District; thence north-westerly along the watershed between the Wairau and Clarence Rivers to the north-western boundary of the Tarndale Run in Block IV, Maling Survey District; thence south-westerly along the said boundary and its production to the eastern shore of Lake Tennyson; thence generally southerly along the said eastern shore to the middle of the Clarence River; thence generally southerly and north-easterly down the middle of the Clarence River to a point in Block XI, Tone Survey District, in line with the western boundary of part Run 121 (being the left bank of the Red Hill Stream); thence generally northerly to and along the said western boundary to the summit of the watershed between the Clarence and Awatere Rivers; thence generally north-easterly along the said watershed to Trig. Station F in Block VII, Tapuaenuku Survey District; thence generally northerly, easterly, and south-easterly along the western, northern, and north-eastern boundaries of Run 121A to the easternmost corner of that run; thence north-easterly along the north-western boundaries of part Section 1, Block VIII, Tapuaenuku Survey District, and part Section 1, Block VI, Whernside Survey District; thence generally easterly along the northern boundary of part Section 1, Block VI, aforesaid, and continuing easterly to and along the northern boundaries of part Sections 1 and 9, Block VII, Whernside Survey District, Section 90, Mead Hill Run, Clarence Registration District, and the northern and north-eastern boundaries of Section 10, Block III, Whernside Survey District, to a point due north of the south-western corner of part Lot 6, D.P. 346; thence due south to that corner; thence north-easterly and northerly along the south-eastern and eastern boundaries of the said part Lot 6 and the production of the last-mentioned boundary to the middle of the Waima River; thence generally westerly up the middle of the said river to a point in line with the western boundary of Section 3, Block XVIII, Blue Mountain Survey District; thence northerly to and along that boundary to Trig. Station Blue Mountain; thence westerly along the boundary of the said Section 3 to its westernmost point; thence generally easterly along the northern boundary of the said section 3 to its junction with the western boundary of Lot 1, D.P. 761, in Block XIII, Blue Mountain Survey

District; thence northerly, easterly, and south-easterly along the western, northern, and north-eastern boundaries of the said Lot 1, and the production of the last-mentioned boundary to the left bank of the Dunsandel Stream in Block VIII, Cape Campbell Survey District; thence generally northerly along the western boundaries of Sections 1 and 5, Block VIII, aforesaid, the north-western boundary of the said Section 5, and the western boundary of Section 6, Block V, Cape Campbell Survey District, and its production to the left bank of the Flaxbourne River in Block IV, Blue Mountain Survey District; thence westerly along the said left bank to the south-western corner of Section 4B of the said Block IV; thence northerly along the western boundaries of Sections 4B and 1 of the said Block IV and part Section 9, Block XXI, Taylor Pass Survey District, to a point in line with the south-western boundary of Section 11 of the said Block XXI; thence north-westerly to and along that boundary to a public road; thence north-easterly along the roadside forming the north-western boundaries of Sections 11 and 10, Block XXI, aforesaid, to a point in line with the north-eastern side of the road forming the south-western boundary of Section 9, Block XXI, aforesaid; thence generally north-westerly to and along the south-western boundaries of Section 9, part Section 2, and Section 1, all of the said Block XXI, and the production of the last-mentioned boundary to the right bank of the Awatere River; thence generally north-easterly along the said right bank to the point of commencement.

#### MARLBOROUGH COUNTY

##### *Croisilles - French Pass Riding*

ALL those areas of land above mean high-water mark in the Marlborough and Nelson Land Districts bounded by a line commencing at Pukerau Point in Block IV, Whangamoia Survey District; thence proceeding due north along a right line to the parallel of latitude 40° 30' south; thence due east along that parallel of latitude to its intersection with meridian of longitude 174° 30' east; thence along a bearing of 222° to a point in Block XXVI, Gore Survey District, approximately 2 miles north-east of Harding Point; thence south-westerly generally along the middle of the Pelorus Sound to a point due east of Black Point (Whata-aruhe), in Block V, Linkwater Survey District; thence westerly along a right line to Black Point; thence north-westerly generally along the summit of the northern watershed of the Kaiuma Stream and the summit of the Opouri Range to Trig. Station B (Editor Hill) in Block VI, Tennyson Survey District; thence westerly generally along the summit of the northern watersheds of the Tunakino and Ronga Rivers to the summit of the range between North Castor Peak and South Castor Peak; thence northerly along the said summit to North Castor Peak, in Block VIII, Whangamoia Survey District; thence northerly along a right line to Pukerau Point, the point of commencement.

##### *Kenepuru Riding*

ALL those areas of land above mean high-water mark in the Marlborough Land District bounded by a line commencing at a point on the middle of Pelorus Sound due east of Black Point (Whata-aruhe), in Block V, Linkwater Survey District; thence proceeding north-easterly along the middle of the Pelorus Sound and passing to the west of the Chetwode Islands to a point 2 miles north-east of Harding Point; thence along a bearing of approximately 42° to the intersection of the parallel of latitude 40° 30' south with the meridian of longitude 174° 30' east; thence due south along that meridian to its intersection with the parallel of latitude 40° 04' south; thence due west along that parallel to a point in Queen Charlotte Sound due north of Motuara Island; thence south-westerly generally along the Queen Charlotte Sound, passing to the west of Motuara, Long, and Blumine Islands, to Dieffenbach Point; thence westerly generally along the mean high-water mark of the Queen Charlotte Sound to Karaka Point in Block VII, Arapawa Survey District; thence generally westerly along the middle of Queen Charlotte Sound to a point due south of a point on the mean high-water mark of the northern shore of the said sound on the production of a right line joining the south-east corner of Lot 4, D.P. 1760, and the north-west corner of part Section 21, Pelorus Sound Registration District, in Block VI, Linkwater Survey District; thence northerly to that point and continuing northerly along the said right line to the north-western corner of the said part Section 21; thence continuing northerly along the production of the western boundary of the said part Section 21 to the southern shore of Mahau Sound; thence along the middle of Mahau Sound to the point of commencement.

##### *Pelorus Riding*

ALL that area in the Marlborough Land District bounded by a line commencing at the summit of the range between North Castor and South Castor Peaks in Block IV, Tennyson Survey District, and proceeding easterly generally along the summit of the northern watershed of the Ronga and Tunakino River to Trig. Station B (Editor Hill) in Block VI, Tennyson Survey District; thence south-easterly generally along the summit of the Opouri Range and the summit of the northern watershed of the Kaiuma Stream to Black Point (Whata-aruhe) in Block V, Linkwater Survey District; thence easterly along Mahau Sound to a point in line with the western boundary of part Section 21, Pelorus Sound Registration District, in Block VI,
