CHRISTCHURCH CITY COUNCIL

NOTICE OF INTENTION TO TAKE LAND

NOTICE is hereby given that the Christchurch City Council proposes, under the provisions of the Public Works Act 1928 and its amendments, to take over the land described in the First Schedule hereto, the easement and ancillary rights set forth in the Second Schedule hereto, for the purposes of a public work, namely, for an overhead line for the transmission of electric power and energy.

Every person affected should set forth, in writing, any objection he may wish to make to the execution of the said work or to the taking of the said easement and ancillary rights, not being an objection to the amount or the payment of compensation, and to lodge the written objection at the office of the Christchurch City Council, Manchester Street, Christchurch, within forty (40) days from the 4th day of October 1968, being the date of the first publication of this notice; and if any such objection is made, a public hearing of the objection will be held, unless the objector otherwise requires, and each objector will be notified of the time and place of any such hearing.

FIRST SCHEDULE

ALL those pieces of land situated partly in the City of Christchurch and partly in Block II of the Sumner Survey District, containing together one hundred and forty-five acres and eleven decimal nine perches (145A. 11.9P.), or thereabouts, being Lot 3, Deposited Plan 6740, and Lot 45 and part Lot 48, Deposited Plan 3416, being part Rural Sections 18430 and 24077, and being also all the land described in certificate of title, Volume 459, folio 270, and the balance of the land described in certificate of title, Register 3c, folio 349 (Canterbury Registry).

SECOND SCHEDULE

AN easement in perpetuity to convey and transmit electric power and energy over and across that part of the land described in the First Schedule hereto lying within 30 links either side of the centre line shown in red on the plan hereinafter referred to (such part of the said land being hereinafter called "the easement strip") and for that purpose to construct, equip, maintain, renew, repair, operate, and patrol transmission lines thereon for the transmission and distribution of electric power and energy, which lines may consist of and include any tower, pylon, gantry, pole, support, insulator, casing, tube, maintenance telephone wire, line, cable, or other conductor used or intended to be used for the transmission and distribution of electric power and energy and the support, maintenance, protection, or insulation of any such transmission lines as may seem necessary or desirable; and, for the aforesaid purposes, servants, workmen, and agents of the Christchurch City Council may, from time to time and at all times, enter by the most expedient route upon the easement strip or any part thereof, with or without any suitable means of conveyance and with all such tools, machinery, articles, and materials as may be necessary for the doing of anything hereby authorised, and to make and construct all such works as may be necessary and proper for such purposes, and to remove such transmission lines or any part thereof, and, from time to time, to deposit and store on the easement strip tools, machinery, equipment, and materials of any kind to be used in the construction or repairing of such transmission lines, but only for so long a period as such work is actually in progress, and to remove or carry away the same or any part thereof during or upon completion of the said work. The plan referred to above is available for inspection by all persons, during usual office hours, at the offices of the Christchurch City Council, Manchester Street, Christchurch.

M. B. HAYES, Town Clerk.
