

- (g) That part of Nelson and Marlborough Land Districts situated in Waimea County north of the former Murchison County (*Gazette*, 1965, p. 437) and the portion of Marlborough County bounded by the coastline from the point where the eastern boundary of Waimea County meets the sea to the mouth of Pelorous River, including D'Urville Island; thence along the southern and eastern banks of the Pelorous River and Wakamarina River to the confluence of Johnson Creek; thence in a direct line in a westerly direction to the boundary of the Waimea County at the confluence of Captain Creek and the Pelorous River.
- (h) That part of the Land District of Westland situated in Grey County and that portion of Westland County north of the Poerua River, Poerua Glacier, and Garden of Eden Ice Plateau."

2. Paragraph 2 is hereby deleted and the following paragraph is substituted therefor—

"2. By authority of the said regulations we as authorised forest officers hereby consent to the bringing or removal of forest produce:

- (a) From the above-described infected area to any other land, with the following exceptions: in respect of all species of exotic pine (of genus *Pinus*), Douglas fir (*Pseudotsuga menziesii*), and larch (of genus *Larix*), all tree seedlings and all trees or parts of trees used or intended to be used as Christmas trees;
- (b) Into the above-described infected area from any other land;
- (c) From any place or site within the above-described infected area to any other place or site within the infected area."

Dated at Wellington this 24th day of February 1969.

A. L. POOLE, Director-General of Forests.

NOTES

1. This amendment comes into effect upon first publication in a newspaper circulating in the infected area constituted. Its purpose is to extend the previously declared "infected area" and clarify the species concerned.
2. It is an offence to remove plants or Christmas tree material (branches, etc.) out of the "infected area", if these are of exotic pine, Douglas fir, or larch species and have not been treated as specified by an authorised forest officer.
3. The "infected area" is now generally the large area lying between Auckland City and Wellington City, the area east of the main ranges between Wairoa and Takapau, also the Waimea County (excluding the old Murchison County), north-western Marlborough area west of Havelock, and Westland Land District north of Harihari.
4. Inquiries should be addressed to the nearest Conservator of Forests.
