Any person or firm desiring to make representations regarding an item or items should send to the under­

3. If no representations are received to the contrary the Board proposes to recommend that, in respect of these goods, the rates of duty applicable to imports from Australia be reduced to the level of the present British Preferential Tariff rates or of such lower rates as are indi­

4. If public inquiries are found to be necessary in respect of any item or items, notice to this effect will be given.

Dated at Wellington this 28th day of October 1969.
