

14. The system of rating in the said county shall be on the unimproved value system:

Provided, however, that in the Brunner Division all rates shall be made and levied on the capital value system for a period of 5 years from the date of the union and for such purposes the following provisions shall apply:

- (a) Where any rate is made and levied on all rateable property within the whole of the said county or within a part of the said county which includes the Brunner Division, the Council shall, instead of levying that rate on rateable property within the Brunner Division on the system of rating in force in the said county, make and levy on the rateable property within the Brunner Division on the capital value rating system a rate calculated to produce a total amount equal to the amount that would have been produced from all the rateable property in the Brunner Division if it had been levied on the system of rating in force in the said county.
- (b) Notwithstanding that under the provisions hereof a system of rating is in force in the Brunner Division which differs from that in force in the said county, the number of votes to which the occupier of any rateable property in the Brunner Division is entitled under section 51 of the Counties Act 1956 shall be determined having regard to the rateable value of the property as appearing on the valuation roll of the said county and as if the system of rating in the said county were also in force in the Brunner Division.
- (c) All the valuation rolls, electors lists, electors rolls, and rate books in force in the Borough of Brunner on the 30th day of April 1970 shall continue in force and be deemed to be the valuation rolls, electors lists, electors rolls, and rate books in force in the Brunner Riding of the said county until new valuation rolls, electors lists, electors rolls, and rate books are made for the Brunner Riding.
- (d) All the valuation rolls, electors lists, electors rolls, and rate books in force in the County of Grey on the 30th day of April 1970 shall continue in force and be deemed to be the valuation rolls, electors lists, electors rolls, and rate books in force in the North Riding, the South Riding, and the East Riding of the said county until new valuation rolls, electors lists, electors rolls, and rate books are made for the North Riding, the South Riding, and the East Riding.

15. Except as otherwise provided herein or in the Local Government Commission Act 1967, the provisions of the Counties Act 1956 shall, with the necessary modifications and so far as they are applicable, apply to the union hereby effected as if the Borough of Brunner were a town district to which section 28 of the Counties Act 1956 applies.

16. So far as they are applicable and with the necessary modifications, the provisions of section 99A of the Land Transfer Act 1952 shall apply to the union hereby effected.
