### VALUERS REGISTRATION BOARD OF NEW ZEALAND

**Explanations**

**Column 1**—This contains the name of each valuer who at 31 March 1970 is the holder of an Annual Practising Certificate issued under section 35 of the Valuers Act 1948. A valuer who is registered and makes valuations for members of the public is required to hold a current Annual Practising Certificate in order to retain the full rights of registration.

**Column 2**—This gives the postal address, either business or residential, as on the application for the Annual Practising Certificate.

**Column 3**—This indicates the subsection of section 19 of the Valuers Act 1948 under which the valuer has been registered. These subsections are:

1. (1) Every person who has attained the age of 25 years and who immediately before the commencement of this Act was a member of the New Zealand Institute of Valuers ( Incorporated) shall be entitled to be registered under this Act, if he makes application for registration within 3 months after the commencement of this Act, and satisfies the Board that he is of good character and reputation and has not less than 3 years’ practical experience in New Zealand in the valuing of land.

2. (2) Every other person who has attained the age of 25 years shall be entitled to be registered under this Act, if he satisfies the Board that he is of good character and reputation and—

   (a) that he holds a recognised certificate as defined in the next succeeding subsection and has not less than 3 years’ practical experience in New Zealand in the valuing of land within the 10 years immediately preceding the making of his application; or

   (b) that he has passed an examination or examinations approved by the Board and has not less than 3 years’ practical experience in New Zealand in the valuing of land within the 10 years immediately preceding the making of his application:

   Provided that the Board shall permit the registration of any other person who has attained the age of 25 years and who makes application for registration within 1 year after the commencement of this Act, and satisfies the Board that he is of good character and reputation, that he has had 3 years' practical experience in New Zealand in the valuing of land within the 10 years immediately preceding the making of his application, and is a fit and proper person to be registered as a valuer.

3. (3) For the purpose of this section the term ‘recognised certificate’ means a certificate, diploma, degree, or licence granted by a recognised educational institution or body, or a body approved by the Board, that establishes a recognised standard of knowledge and proficiency in the valuing of land in New Zealand.

(4) This shows the date of registration.

(5) This indicates the subsection of section 19 of the Valuers Act 1948 under which the valuer has been registered.
