

6. **Special provisions affecting the said area**—In respect of the part of the Marlborough Catchment District that comprises the said area the following provisions shall apply:

- (a) The provisions of Part V of the Soil Conservation and Rivers Control Act 1941 shall not apply:

Provided that they shall apply to the extent of any agreement to operate the whole or any part of the said Part V made, with the approval of the National Water and Soil Conservation Authority, between the Marlborough Catchment Board, and any territorial local authority having jurisdiction in the said area in respect of the whole or any part of the said area.

- (b) The provisions of section 126 of the Soil Conservation and Rivers Control Act 1941 shall not apply:

Provided that they shall apply to the extent of any agreement to operate the provisions of that section made, with the approval of the National Water and Soil Conservation Authority, between the Marlborough Catchment Board and any territorial local authority having jurisdiction in the said area in respect of the whole or any part of the district of that local authority.

- (c) The provisions of subsection (1) of section 20 of the Water and Soil Conservation Act 1967 shall be restricted to conform with the provisions of paragraphs (a) to (d) of this clause.

- (d) Each territorial local authority having jurisdiction in the said area shall make by way of an annual contribution to the Marlborough Catchment Board towards the administration costs incurred by the said Marlborough Catchment Board in carrying out its functions under the Water and Soil Conservation Act 1967 such sum or rate as may from time to time be fixed by any Act or Regulation in that behalf. Unless and until any such sum or rate has been so fixed the amount to be so paid shall be agreed upon between the territorial local authority and the Marlborough Catchment Board and in the event of failure of the territorial local authority and the Marlborough Catchment Board to agree on any such sum, then such sum as may be determined by the National Water and Soil Conservation Authority. In addition the Marlborough Catchment Board may levy any of the said territorial local authorities having jurisdiction over the said area for the cost of any work undertaken or proposed to be undertaken in the district of that local authority for the purposes of the Water and Soil Conservation Act 1967 as hereinbefore restricted and the cost of such work may be increased by a percentage to provide for administration and other expenses in respect of the work as more particularly described in subsection (2) of section 84 of the Soil Conservation and Rivers Control Act 1941 which for this purpose shall be read as if the reference in that subsection to that Act were references to the Water and Soil Conservation Act 1967, such percentage being from time to time determined by agreement between the said Catchment Board and the said local authority:

Provided that, where an agreement as referred to in the foregoing subparagraph (a) and subparagraph (b) of this clause is entered into with any territorial local authority the provisions of this paragraph shall cease to operate and shall be modified in respect of the district of that territorial local authority to ensure compliance with the terms of such agreement.
