Notice of Intention to Take Land in Block IV, Tongariro Survey District, Taumarunui County for Post Office Purposes (Repeater Station)

NOTICE is hereby given that it is proposed under the provisions of the Public Works Act 1928, to execute a certain public work, namely, the construction of a telephonic repeater station, and for the purposes of that public work the land described in the Schedule hereto is required to be taken; and notice is hereby further given that the plan of the land so required to be taken is deposited in the post office at Turangi, and is there open for inspection; that all persons affected by the execution of the said public work or by the taking of the said land should, if they have any objections to the execution of the said public work, or to the taking of the said land, not being objections to the amount or payment of compensation, set forth the same in writing, and send the written objection, within 40 days of the first publication of this notice, to the Minister of Works at Wellington; and that if any objection is made in accordance with this notice, a public hearing of the objection will be held, unless the objector otherwise requires, and each objector will be advised of the time and place of the hearing.

SCHEDULE

WELLINGTON LAND DISTRICT

ALL that piece of land containing 12.5 perches situated in Block IV, Tongariro Survey District, Wellington R.D., being part Okahukura 5B; as the same is more particularly delineated on the plan marked M.O.W. 24411 (S.O. 27104) deposited in the office of the Minister of Works at Wellington, and thereon coloured orange. (Land required for a post office repeater hut site at Tongariro National Park.)

Dated at Wellington this 10th day of August 1970.

H. L. PICKERING, for the Minister of Works.

(P.W. 20/2019; D.O. 5/61/0/15)

Consent to the Generation of Electricity by Sherwood Hills Ltd., by the Use of Water

PURSUANT to the Electricity Act 1968, the Minister of Electricity hereby consents to the generation of electricity by Sherwood Hills Ltd., of Tirau, by the use of water, subject to the following conditions.

CONDITIONS

1. The conditions directed by the Water Power Regulations 1934, to be implied in every licence to use water for the purpose of generating or storing electricity shall be deemed to be conditions of this consent as if it were such a licence.

2. This consent is subject to compliance with the Water Power Regulations 1934, the Electrical Supply Regulations 1967, the Electrical Wiring Regulations 1961, the Radio Interference Regulations 1958, and all regulations hereafter made in amendment of, or in substitution for, any of those regulations, as if in the case of the Water Power Regulations 1934 it were a licence under the Public Works Act 1928, to use water for the purpose of generating electricity as well as a consent under the Electricity Act 1968, to generate electricity by the use of water.

3. The generation of electricity by the use of water pursuant to this consent shall be carried out by means of the works described in the Schedule hereto.

4. This consent shall, unless it is sooner lawfully determined, continue in force until the 31st day of March 1985.

5. This consent confers no rights to water under the Water and Soil Conservation Act 1967 or otherwise.

6. For the purpose of assessing the rental or annual sum payable in respect of this consent, the maximum generating capacity of the plant at the date of this consent is 12kW.

7. In respect of the State forest land described in the consent the holder of the consent shall comply with and cause all persons acting by, for, or on behalf of the said holder to comply with the provisions of the Forests Act 1949 and the Forest and Rural Fires Act 1955, and all regulations, orders, and notices thereunder and all statutes, regulations, and rules of law and shall strictly observe and comply with all conditions and restrictions which may from time to time be imposed by the Conservator of Forests, Rotorua, for safeguarding the forest against fire or any other damage of any nature whatsoever.

8. The said holder shall be liable for all damage (the amount whereof shall include all costs of fire-fighting and suppression and shall be as assessed by the Minister) done by fire on the said State forest land or on adjacent State forest land in consequence of any negligence or failure to observe the aforesaid conditions by or on the part of the said holder or any person acting by, for, or on behalf of the said holder as aforesaid.

REVOCATION

This consent is issued in place of a licence issued to Raymond Douglas McIntyre, of Tirau, by an Order in Council dated the 21st day of November 1966, and appearing in the *Gazette* on the 8th day of December 1966, at page 2034, which licence is consequentially revoked.

SCHEDULE

GENERAL DESCRIPTION OF WORKS

(a) Headworks consisting of a weir and intake with a water-race and pipeline leading to the power house giving a static head of approximately 140 ft.

(b) A Pelton wheel and power house with all necessary equipment for generating electricity, situated in State Forest 3, Block 1, Patetere North-east Survey District.

(c) A tail-race leading from the power house back to the Waiomou Stream.

As shown on the plan marked NZED 800, deposited in the office of the New Zealand Electricity Department at Wellington.

Dated at Wellington this 21st day of August 1970.

H. L. PICKERING, for the Minister of Electricity.

(NZED 11/20/2377)

Licensing Sherwood Hills Ltd., Tirau, to Erect and Use Electric Lines

PURSUANT to the Electricity Act 1968, the Minister of Electricity hereby licenses Sherwood Hills Ltd., of Tirau, subject to the following conditions, to lay, construct, put up, place, and use the electric lines described in the Schedule hereto.

CONDITIONS

1. This licence is subject to compliance with the Electrical Supply Regulations 1967, the Electrical Wiring Regulations 1961, the Radio Interference Regulations 1958, and all regulations made in amendment of or in substitution for any of those regulations.

2. The systems of supply shall be as described in paragraphs (d) and (j) of regulation 15 of the Electrical Supply Regulations 1967. The system of supply authorised under paragraph (j) shall be a single conductor earth return system. The normal rated pressure of the transmission lines shall be 6,600 volts.

3. This licence shall unless it is sooner lawfully determined, continue in force until the 31st day of March 1985.

4. In respect of the State forest land described in the licence the holder of the licence shall comply with and cause all persons acting by, for, or on behalf of the said holder to comply with the provisions of the Forests Act 1949 and the Forest and Rural Fires Act 1955, and all regulations, orders, and notices thereunder and all statutes, regulations, and rules of law and shall strictly observe and comply with all conditions and restrictions which may from time to time be imposed by the Conservator of Forests, Rotorua, for safeguarding the forest against fire or any other damage of any nature whatsoever.

5. The said holder shall be liable for all damage (the amount whereof shall include all costs of fire-fighting and suppression and shall be as assessed by the Minister) done by fire on the said State forest land or on adjacent State forest land in consequence of any negligence or failure to observe the aforesaid conditions by or on the part of the said holder or any person acting by, for, or on behalf of the said holder as aforesaid.
