

*New Zealand - Australia Free Trade Agreement*

PURSUANT to Article 3 of the New Zealand - Australia Free Trade Agreement Act 1965, the products listed in the following Schedule have been nominated by New Zealand and Australia for addition to Schedule A.

Prior to formal inclusion in Schedule A, interested persons or firms are invited to make representations in support of or against any nominated product or products. The representations should be forwarded to the Secretary, Tariff and Development Board, P.O. Box 5070, Wellington, not later than 3 March 1972.

Where representations are made against the nomination of a product, the Tariff and Development Board will conduct inquiries and will notify the dates on which submissions are required and the form in which they should be lodged. In those cases where the inquiries result in a decision to include the goods in Schedule A, and where the Australian Government is in agreement, such inclusion will be effected at the earliest practicable date following receipt of the report of the Tariff and Development Board.

Products on which no representations against inclusion in Schedule A have been received by the Board by 3 March 1972 will be added to the Schedule on 1 July 1972, provided the Australian Government agrees.

In some cases, following further negotiations between the Australian and New Zealand Governments, it may be necessary to reconsider the conditions on which a product is added to Schedule A.

Dated at Wellington this 16th day of December 1971.

J. R. MARSHALL, Minister of Overseas Trade.
