Tariff and Development Board Notice No. 202—Inquiry into Continuous Filament Polyester Yarn of Tariff Items 51.01.43, 51.01.44, and 51.01.45

1. Following receipt by the Minister of Customs of a report from the Emergency Protection Authority, the Government has accepted the recommendation of the Authority that, in respect of certain continuous filament polyester yarn, additional temporary duties should be imposed for a period of 1 year, during which time the question of protection should be re-examined to decide whether or not the additional duties should be continued. The duties recommended are as follows:

(a) On continuous filament polyester yarns which are not bulked, stretch, or texturised, exceeding 65 denier but not exceeding 85 denier, a duty equal to the amount by which the c.i.f. value is less than $1.27 per lb.

(b) On continuous filament polyester yarns which are not bulked, stretch, or texturised, exceeding 140 denier but not exceeding 160 denier, a duty equal to the amount by which the c.i.f. value is less than $1.15 per lb.

2. In accordance with the provisions of the Tariff and Development Board Act, the Minister of Customs has requested the Board to inquire into and report as to the nature and extent of any protection it considers necessary for the New Zealand manufacture of continuous filament polyester yarn now classified in Tariff items 51.01.43, 51.01.44 and 51.01.45. These goods are included in Item Code 50.135 of the Import Licensing Schedule and are at present exempted from import licensing. A description of the goods included in the Inquiry, and the duty rates prevailing before and after the imposition of the temporary duties mentioned above, may be seen in the Schedule to this Notice.

3. The Board will, in accordance with its normal procedures, conduct a public inquiry in the Board Room, First Floor, Law Society Building, 26 Waring Taylor Street, Wellington, on Thursday, 6 May 1971, commencing at 10.30 a.m.

4. Any person who intends to tender evidence should lodge 12 copies of a typewritten statement of the evidence, to be presented under oath at the public inquiry, at the Board’s office no later than Friday, 23 April 1971. In preparing this evidence the “Notes for Guidance of Witnesses” prepared by the Board may be of assistance. Copies of these notes may be obtained from the Board’s office.

Dated at Wellington this 16th day of February 1971.

1. The Minister of Customs has referred to the Tariff and Development Board for inquiry and report, in regard to the proposed New Zealand industry to print knitted fabrics by the silk screen process, the question whether printed knitted fabrics of a kind which, if unprinted, would be classified in Tariff items 60.01.07, 60.01.21, 60.01.22, 60.01.23, and 60.01.24, should be determined to be classified under Tariff items 60.01.05 and 60.01.06.

2. At the same time the Board will consider any representations relating to the elimination of margins by which, in respect of the goods set out in the First Schedule to this notice (and included in Tariff and Development Board Notice No. 168) the rates of duty on imports from Australia exceed those payable under the British Preferential Tariff. The Board will also consider the question of import licensing as it affects these goods.

3. The Minister has also requested the Board to inquire into and report on requests for cancellation of the decision described in the Second Schedule and of the concession set out in the Third Schedule to this Notice.

4. The Board will, in accordance with its normal procedures, conduct a public inquiry in the Boardroom, First Floor, Law Society Building, 26 Waring Taylor Street, Wellington, on 18 May 1971, commencing at 10.30 a.m.

5. Any person who wishes to tender evidence should lodge twelve copies of a typewritten statement of the evidence, to be presented under oath at the public inquiry, at the Board’s office no later than Friday, 30 April 1971. In preparing this evidence the “Notes for Guidance of Witnesses” prepared by the Board may be of assistance. Copies of these notes may be obtained from the Board’s office.

Dated at Wellington this 16th day of February 1971.
