Decision of the Indecent Publications Tribunal

No. 254

In the matter of the Indecent Publications Act 1963, and in the matter of an application by the Secretary for Justice for decision in respect of the magazine *Playboy*, Volume 18, No. 1, January 1971, published by HMM Publishing Co. Inc., Chicago.

DECISION OF THE TRIBUNAL

Mr Armstrong appeared on behalf of the Secretary for Justice but made no submissions.

Mr R. A. Heron appeared as counsel for the Publishers and Gordon and Gotch (N.Z.) Ltd. the New Zealand distributors and made written submissions which the Tribunal found very helpful. Mr Heron called Mr F. A. Smith, General Manager of the distributing company to testify as to the style and content of the magazine and the policy as to distribution.

Issues of *Playboy* have been considered by the Tribunal on two occasions. On 23 August 1965 six issues were held not to be indecent (classification No. 21), and on 21 December 1967 another issue was held not to be indecent except in the hands of persons under 17 years of age (classification No. 60).

The issue now before us does not appear to be substantially different in content or presentation from those issues exonerated on the first occasion, and contains nothing to parallel the feature which led the Tribunal to apply a restrictive classification to the issue of December 1967.

We classify the issue now before us as not indecent.

R. S. V. SIMPSON, Chairman.
