

## New Zealand - Australia Free Trade Agreement

PURSUANT to Article 3 of the New Zealand - Australia Free Trade Agreement Act 1965, the products listed in the First Schedule were included in the nomination list for the Sixth Review of Schedule A, notified in *New Zealand Gazette*, No. 100 of 16 December 1971.

This nomination is now withdrawn and the nomination as set out in the Second Schedule is made in its place.

Prior to formal inclusion in Schedule A, interested persons or firms are invited to make representations in support of or against the substituted nomination. It should be noted that the new nomination covers communications transceivers having a frequency range from 535 Kc to 10 Mc, which goods are already included in Schedule A, and representations cannot be made in respect of these goods. Representations about the other goods covered by the new nomination should be forwarded to the Secretary, Tariff and Development Board, P.O. Box 5070, Wellington, not later than 21 April 1972.

Where representations are made against the nomination of a product, the Tariff and Development Board will conduct inquiries and will notify the dates on which submissions are required and the form in which they should be lodged. In those cases where the inquiries result in a decision to include the goods in Schedule A, and where the Australian Government is in agreement, such inclusion will be effected at the earliest practicable date following receipt of the report of the Tariff and Development Board.

Products on which no representations against inclusion in Schedule A have been received by the Board by 21 April 1972 will be added to the Schedule on 1 July 1972, provided the Australian Government agrees.

In some cases, following further negotiations between the Australian and New Zealand Governments, it may be necessary to reconsider the conditions on which a product is added to Schedule A.

Dated at Wellington this 9th day of March 1972.

B. E. TALBOYS, Minister of Overseas Trade.
