“(ii) That part of the Land District of North Auckland situated generally south and east of the following line, namely, a line commencing at the mouth of the Waikato River and following generally north-eastwards along the northern boundary of Raglan County to a right line crossing the Waikato River at right angles to its course to the junction of its east bank with the south bank of the Mangatawhiri River; thence generally eastwards along the south bank of the last-mentioned river to State Highway No. 1, and thence following generally northwards along the western side of State Highway No. 1 to its intersection with the North Island Main Trunk Railway Line just south of Drury; thence generally north along the western side of the aforementioned railway line to the southern boundary of the Borough of Papakura; thence generally east, north, and then west along the boundary of the said borough to its intersection with the west side of Dominion Road; thence along the western side of the aforementioned road to the intersection with the Papakura-Clevedon Road; thence generally north-eastwards along the north-west side of the last-mentioned road to its intersection with Mullins Road; thence generally north-westwards along the western side of Mullins Road and of its continuation with Alfriston Road to Manurewa Road; thence eastwards along the northern side of Manurewa Road to Brookby School; thence generally north and north-westwards along the western side of the Brookby-Whitford Road to the Turanga Creek; and thence generally northwards along the east bank of the said creek to Tamaki Strait.”

Dated at Wellington this 13th day of December 1971.

A. P. THOMSON, Director-General of Forests.

NOTES

1. This amendment comes into effect upon first publication in a newspaper circulating in the infected area constituted. Its purpose is to extend the previously declared “infected area”.

2. It is an offence to remove plants or Christmas tree material (branches, etc.) out of the “infected area” if these are of exotic pine, Douglas fir, or larch species, and have not been treated as specified by an authorised forest officer.

3. The Puhu Puhu and Glenberrie State Forests and the environs thereof described in subparagraph 1 (c) (i) in terms of the present amendment are now added to the “infected area”.

4. The “infected area” is now generally the Puhu Puhu and Glenberrie Forests, and their environs, the large area lying between Auckland City and Wellington City, the area east of the main ranges between Wairoa and Takapau, also the Waimea County (excluding the old Murchison County), north-western Marlborough area west of Havelock, and Westland Land District north of Harihari.

5. Inquiries should be addressed to the nearest Conservator of Forests.

The said amendment was published on the 24th, 27th, and 28th day of December 1971 in the following newspapers:

The New Zealand Herald
The Auckland Star

and was further published on the 27th, 28th, and 29th days of December 1971 in the newspaper

The Northern Advocate.

In terms of regulation 4 (2) (a) of the said regulations the said amendment came into force on the 24th day of December 1971.

Dated at Wellington this 6th day of April 1972.

A. P. THOMSON, Director-General of Forests.
