AUDITORS' REPORT

We have examined the balance sheet of South Canterbury Savings Bank as of 31 March 1972, and the related profit and loss account for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and profit and loss account present fairly the financial position of South Canterbury Savings Bank at 31 March 1972, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.
