PURSUANT to the Land and Income Tax Act 1954, the Commissioner of Inland Revenue hereby gives notice as follows:

1. A return of land held as at noon 31 March 1973 is required from every person and company, whether a taxpayer or not, being the owner of land in New Zealand within the meaning of the Land and Income Tax Act 1954, if the total unimproved value as at noon on 31 March 1970 exceeded \$60,000 and the land is not of the classes specified in paragraph 3 below.

2. Land tax is dealt with by the Masterton office of the department and returns may be sent there or to any district office of the Inland Revenue Department, not later than 7 May 1973.

3. Returns of land are not required for classes of land used solely or principally for the purposes of a business of—

- (1) Animal husbandry (including poultry-keeping, bee-keeping, and the breeding of horses); or

- (3) Horticulture; or
