

GENERAL PROVISIONS AS TO MAXIMUM RETAIL PRICES

5. (1) No additional charges shall be made by a retailer for wrapping any meat to which this order applies, or for trimming or other incidental and customary services performed in relation to the retailing of any such meat.

(2) If in respect of any lot of meat the maximum price calculated in accordance with the provisions of this order is not an exact number of cents, the maximum price of the lot shall be computed to the nearest cent.

(3) Where a retailer sells any joint or cut of meat which is not in accordance with any one definition in the said specification because it comprises less than the total meat included in any one definition or comprises meat included in more than one definition, the maximum retail price per pound of such joint or cut shall be computed on the basis that the joint or cut comprises the kind, description, and grade of meat included in the definition of which the joint or cut forms part or to which the greater part of such joint or cut conforms.

RETAILERS TO EXHIBIT PRICE ORDERS AND TICKET MEAT

6. (1) It shall be the duty of every retailer whose business includes the selling of any meat to which this price order relates to keep a copy of the price order or a statement of the retail prices fixed thereby in respect of such meat prominently displayed in his shop in such a position that customers may examine the price order or statement without having to ask for its production or without having to obtain permission to examine it.

(2) Every retailer who offers or exposes for sale any joints or cuts of meat to which this order applies shall affix to each joint or cut a ticket, placard, or label on which the total retail price of the joint or cut shall be stated in legible and prominent characters.

(3) In the case of any meat to which this order applies which, in accordance with the customary practice within the trade, is offered or exposed for sale, otherwise than by the joint or cut, the retailer shall affix to or keep in a prominent position in such proximity to the meat to which it relates as to be obviously in relation thereto a ticket, placard, or label showing in legible and prominent characters the retail price per pound or, where in accordance with the customary practice within the trade the meat is offered or exposed for sale otherwise than by weight, the price per unit.

(4) In any case where meat to which this order applies is not readily identifiable with the description thereof set out in the price order displayed, the retailer shall affix to the meat a ticket, placard, or label giving a description so that it is readily identifiable with the description set out in the price order.
