Tariff and Development Board Notice No. 346—Inquiry Concerning Protection for New Zealand Industry Producing Rulers—Public Hearing

1. Following receipt by the Minister of Customs of a report from the Emergency Protection Authority concerning protection for the New Zealand industry producing plastic 30 cm/12 in. rulers, the Minister notified the Board, in a letter dated 14 March 1973, that the Authority had requested the Board to undertake a further inquiry and report on the nature and degree of protection it considers necessary to protect the New Zealand industry against imports of vinyl floor coverings now classified under Tariff items 39.09.09 and 59.10.01 (formerly Tariff items 39.02.081 and 59.10.011 respectively).

2. In accordance with the provisions of the Tariff and Development Board Act the Minister of Customs has requested the Board to undertake a further inquiry and report on the nature and degree of protection it considers necessary to protect the New Zealand industry against imports of vinyl floor coverings now classified under Tariff items 39.09.09 and 59.10.01 (formerly Tariff items 39.02.081 and 59.10.011 respectively).

3. For the purpose of taking evidence the Board will hold a public hearing in the Hearing Room, Eighth Floor, Cumberland House, Upper Willis Street, Wellington, on Tuesday, 4 September 1973, commencing at 10.30 a.m.

4. Parties intending to make representations or requests about appropriate rates of customs duty are asked to take into account the statement by the Minister of Overseas Trade of 6 September 1972 about changes in the New Zealand Tariff. Copies of this statement can be obtained from the undersigned. In a letter dated 6 April 1973, the Minister of Trade and Industry has indicated that the Board has asked the Board to consider the question of a single tariff rate, for trade policy reasons the Board's recommendations on this aspect will not necessarily be made public for the time being. Parties intending to make representations or requests about the exemption from import licensing of goods at present not so exempt are asked to take into account the statement in the 1973 Financial Statement (page 19) that "the Government has also decided that where the industry is to be exempted from import licensing there should be provision in appropriate cases for a phase-out period which in general will be for up to three years".

5. Any person who intends to tender evidence should lodge, in typewritten form, 14 copies of public evidence and 12 copies of confidential evidence, to be presented under oath at the public hearing, at the Board's office no later than Tuesday, 14 August 1973. In preparing this evidence the "Notes for Information and Guidance of Interested Parties" prepared by the Board may be of assistance. Copies of these notes may be obtained from the Board's office.

Dated at Wellington this 17th day of April 1973.

Secretary, Tariff and Development Board.

Tariff and Development Board Notice No. 347—Inquiry Concerning Protection for New Zealand Industry Producing Vinyl Floor Coverings—Public Hearing

1. Following receipt by the Minister of Customs of a report from the Emergency Protection Authority concerning protection for the New Zealand industry producing plastic 30 cm/12 in. rulers, the Minister notified the Board, in a letter dated 14 March 1973, that the Authority had requested the Board to undertake a further inquiry and report on the nature and degree of protection it considers necessary to protect the New Zealand industry against imports of vinyl floor coverings now classified under Tariff items 39.09.09 and 59.10.01 (except tiles) which have a current domestic price of $10.50 per gross. However, in order to comply with New Zealand's obligations under the NAFTA, the temporary restriction will not be imposed against imports from Australia. The Authority considered that there was a wide area of substitutability amongst rulers of different materials and he suggested that any examination of the need for protection for the domestic industry should cover all types and sizes of rigid rulers.

2. In accordance with the provisions of the Tariff and Development Board Act, the Minister of Customs has requested the Board to undertake an inquiry and report on the form of permanent protection, if any, it considers necessary to protect New Zealand industry in relation to the importation of rulers (but not flexible measuring tapes) as classified in Tariff item Ex 90.16.009.

3. For the purpose of taking evidence the Board will hold a public hearing in the Hearing Room, Eighth Floor, Cumberland House, Upper Willis Street, Wellington, on Tuesday, 11 September 1973, commencing at 10.30 a.m.

4. Parties intending to make representations or requests about appropriate rates of customs duty are asked to take into account the statement by the Minister of Overseas Trade of 6 September 1972 about changes in the New Zealand Tariff. 1. At the public hearing concerning protection for certain seeds and cereals etc., held on 11 April 1973, it was requested that the taking of evidence affecting soya beans, of Tariff item 12.01.400, be deferred and that it be taken in conjunction with any evidence on soya bean oil to be presented at the public hearing scheduled to commence on 2 July 1973.

2. The Board has acceded to the request and parties who wish to submit evidence affecting protection for soya beans, of Tariff item 12.01.400, should prepare and lodge submissions in terms of Schedule E to Tariff and Development Board Notice No. 323 (New Zealand Gazette dated 7 December 1972). It will not be necessary for parties who presented evidence on soya beans at the hearing on 11 April 1973 to resubmit evidence on these goods. Such parties may, however, tender supplementary evidence. Any new or supplementary evidence on soya beans will be taken in conjunction with the evidence on soya bean oil which is the first part of a two part inquiry. 630 Decision of the Indecent Publications Tribunal

In the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for decision in respect of the book A Secret Diary by Vicar Veitch, published by David Bruce and Watson Ltd., London. Mr Bathgate appeared on behalf of the applicant. There was no appearance of the publisher's representative in New Zealand. No submissions were made.

Decision of the Tribunal

This book is based on the supposedly authentic diary of one William Veitch, a country parson with a modest living in the county of Sussex from 1874-75. He was asked to leave his previous living at Paddington in 1874 for the office as vicar of this small country parish where his indiscretions with young ladies might provoke less scandal.

Ronald Pearsall in his introduction goes to considerable lengths to prove that the diary of William Veitch is genuine, but it can be noted that he nowhere states where the diary came from and that the factual details on which he bases his claim are such as could be used by an author wishing to write an apparently genuine period-piece. Ronald Pearsall has researched and written in the area of Victorian sexuality and the book appears to us as likely to be a modern concoction as a genuine piece of Victorian erotica. The diary recounts in detail the sexual activities of the Vicar which are of a somewhat degraded and depraved nature.

The Tribunal does not judge the book as likely to corrupt mature readers but some restriction on its availability to younger persons is desirable. The Tribunal classifies this book as indecent in the hands of persons under the age of 18 years.

R. S. V. SIMPSON, Chairman.
