Amendment to Rules of Wellington Acclimatisation Society

Pursuant to section 29 of the Wildlife Act 1953, the Minister of Internal Affairs hereby gives notice that he has approved of the following new rule made by the Wellington Acclimatisation Society to stand in place of Rule 9 as approved by the then Minister of Internal Affairs on 4 March 1956:

9. The election of councillors shall be by postal ballot conducted in the following manner:

(a) In each year in which vacancies will occur on the Council due to the expiry of the term of office of a councillor or councillors, the Secretary shall, not less than 4 months beforehand, advise members of such vacancies and call for nominations either by circular or by advertisement in daily papers circulating in the district or districts where the vacancies will occur.

(b) Nominations for office shall be in writing signed by a proposer and seconder and carrying a written acceptance by the nominee. All such persons shall be members of the Society. Nominations shall indicate the area which it is intended the nominee should represent if elected and shall be in the hands of the Secretary on the date nominated by him in his advice to members and in no event less than 10 weeks before the annual general meeting.

(c) Not less than 21 clear days before the date of the annual general meeting the Secretary shall forward to each member a ballot paper containing the nominations for office, their addresses and occupations, and the area which they seek to represent. The ballot paper shall contain clear instructions on how to vote and state that the voting papers are returnable to the Secretary on or before a specified date, which shall in each case be fixed by the Council. The instructions on how to vote shall also include the following: “Each member shall leave uncancelled the name of any candidate for whom he desires to vote and shall strike out the name of any candidate for whom he does not desire to vote. Every voting paper that clearly indicates more than the number to be required to be elected shall be invalid.”

(d) Any voting paper received by the Secretary after the specified date shall be marked with particulars of the date and time of receipt and signed by the Secretary. Such papers shall be disregarded in counting the ballot and may be destroyed 1 month after the annual general meeting.

(e) On receipt of the duly completed ballot papers (other than those mentioned in clause (d) hereof), the Secretary shall deliver them unopened to the scrutineers appointed by the Council and shall receive from them a receipt for the total number of ballot papers delivered. The scrutineers shall then, in the presence of each other, count the ballot papers delivered to the Secretary, immediately before the opening of the annual general meeting, a certificate signed by each of them disclosing the result of the ballot and shall at the same time forward to the Secretary, under sealed cover, all the ballot papers. The ballot papers may be destroyed 1 month after the annual general meeting.

(f) The chairman of the meeting shall, immediately following the adoption of the annual report and balance sheet, read out the names of the members successful in the ballot and declare them elected to the Council for the prescribed period of office.

The President shall, so long as he continues to be a member of the Society, hold office for a term of 3 years, or for such lesser term as he is qualified by membership of the Council. If, for any reason, the position of President becomes vacant, the Council may elect one of its members to be President for the unexpired term.

(4) The Council at its first meeting following the annual general meeting shall elect from among its number such number of Vice-Presidents as it sees fit. The Vice-Presidents shall retire as Vice-Presidents at the next annual general meeting held after their election, but shall be eligible for re-election.

(5) At each annual general meeting the one-third of the number of councillors who have been longest on the Council without being re-elected shall retire but shall be eligible for re-election. The vacancies thus created shall be filled by ballot as provided in rule 9 hereof. As between 2 or more candidates who have been in office the onus shall lie upon the member or members to retire shall in default of agreement between them be determined by lot.

(6) Vacancies on the Council caused by the retirement of members shall be filled from such members as will maintain the subdistrict representation as set out in subclause (2) of this rule.

(8) In the event of any member of the Council dying, resigning, or vacating his office, the Council may appoint to the vacancy any member of the society who is available and eligible. Every such appointee shall hold office for the balance of the term of his predecessor.

(9) A member of the Council shall vacate his office if he has absent himself from three consecutive meetings of the Council without leave of absence having been granted by the Council.

Notice to Make Returns of Income Under the Land and Income Tax Act 1954

Pursuant to the Land and Income Tax Act 1954, the Commissioner of Inland Revenue give notice as follows:

1. Returns of income for the year ended 31 March 1973 (or other approved balance date) are required from:

(a) All companies, all partnerships, all persons in business (including farming) or in a profession, all persons in partnership, all trustees, executors, and administrators, notwithstanding that by reason of a loss being incurred for the year or carried forward from a previous year, no taxation is payable.

(b) Every person whose total income from employment exceeded $2,600.

(c) Every person who derived income from employment, the whole or any part of which was not taxed at source.

(d) Every person who derived interest and/or investment or building society dividends over $100 in the aggregate and whose total income (after deducting $100 of that interest and/or investment or building society dividends) exceeded $275.

Whereas by Order in Council dated 18 January 1961 and published in the New Zealand Gazette, 26 January 1961, No. 7, p. 153, the land described in the First Schedule hereto was set apart as a Maori reservation; and whereas the area set aside does not correspond, on survey, with the actual area:

Now, therefore, pursuant to section 439 of the Maori Affairs Act 1953, notice is hereby given as follows.
(e) Every person who derived assessable income other than income from employment and whose total income exceeded $275, except that no return is required where the total income did not exceed $1,100 and consisted exclusively of dividends.

(f) Every person who paid provisional tax in respect of income for the year ended 31 March 1973.

(g) Every person to whom section 104 of the Land and Income Tax Act 1954 applies. Section 104 relates to aggregate assessments of husbands and wives and in general terms now applies only where—

(i) Income is derived by one spouse under a transfer or settlement of income by the other spouse and the assets producing the income are retained by or can revert to the other spouse.

(ii) Income is diverted from one to the other by permitting the use of assets or by the performance of services.

(h) Every person who received withholding payments. Note, however, that a return is not required where a person does not come within any of the classes referred to in (a) to (g) above inclusive and the only withholding payments received were—

(i) Juror’s or witness’s fees, and/or

(ii) Not in excess of $24 in the aggregate and consisting of one or more of the following classes: Honoraria; fees for contributions to newspapers, journals, etc., or for radio or stage presentations; modelling or demonstrating goods or appliances; theatre, stage concert, and radio performances; payments for election-day services.

(i) Every unincorporated body which derived assessable income.

(j) Every absentee who derived income from New Zealand.

(k) Trustees of superannuation funds.

2. Returns are required to be furnished by posting or delivering the same to the office of the Inland Revenue Department nearest to the place of residence of the taxpayer, or if the taxpayer’s records are held in another office of the Department, then to the latter office.

3. Returns are due on:

(a) 7 June 1973 when income was derived from salary, wages, superannuation (including Universal Superannuation), pensions, taxable allowances, etc., and—

(i) No other income whatsoever was derived, or

(ii) The other income derived consisted exclusively of not more than $200 in total from dividends, net rents, interest (after $100 exemption).

(b) 7 August 1973 in all other cases or within 2 months of balance date, whichever is the later. No action for failure to furnish a return due on 7 August 1973 will be taken if it is furnished by 7 September 1973.

The return to be used is IR 5 (green print) in the case of paragraph 3 (a) above, and the IR 3 (black print) in the case of 3 (b) above.

In addition to return IR 3, farmers are to complete supplementary return IR 3F and persons in business or in a profession are to complete supplementary return IR 3G. (The supplementary returns are not required if a copy of the annual accounts is furnished with the return.) Companies are to use IR 4, estates and trusts use IR 5A, and superannuation funds IR 44. Each form indicates the classes of taxpayers who are to use that form and, where applicable, the due dates for payment of provisional tax. Generally, the first instalment of provisional tax must accompany the return when furnished and is due on 7 August 1973. It must be paid on or before 7 September 1973 in order to avoid the 10 percent additional tax for late payment. The second instalment is, in general, due on 7 February 1974 with a 10 percent additional tax if not paid by 7 March 1974. In some cases a third instalment is, in general, due on 7 May 1974 with a 10 percent additional tax if not paid by 7 June 1974.

4. All return forms are available at district offices of the Inland Revenue Department and at post offices. Company returns are available at post offices in urban areas with a population of 5,000 or more not having an Inland Revenue District Office.

5. Any person or company failing to furnish a return within the prescribed time is liable to a fine not exceeding $200 and not less than $4.

6. Any person who is not required under paragraph 1 to furnish a return and who has derived income from employment may elect to furnish a return using IR 5 if he requires an adjustment:

(a) Because he paid life insurance premiums.

(b) Because he considers that tax deductions made from his income were excessive.

(c) Because he was entitled to exemptions which were not included in his tax code during the year.

(d) Because he is entitled to deductions from income.

7. Any person furnishing a return of income who derived income taxed at time of payment should securely attach all tax deduction certificates (IR 12, IR 13, or IR 55) to the return form.

Dated at Wellington this 10th day of May 1973.

T. M. HUNT,
Chief Deputy Commissioner of Inland Revenue.
