*Tariff and Development Board Notice No. 363—Inquiry
Concerning Protection for New Zealand Industry Producing
Hard Chromed Steel Bars—Public Hearing*

1. Following receipt by the Minister of Customs of a report from the Emergency Protection Authority concerning temporary protection for the New Zealand hard chroming industry producing hard chromed steel bars, the Minister notified the Board, in a letter dated 24 May 1973, that while the Authority had recommended the imposition of a temporary additional duty of 25 percent *ad valorem* on imports of hard chromed steel bars of a diameter up to and including 3 inches, Government had decided that the protective duties should be extended to cover all diameters. In the *New Zealand Gazette* of 24 May 1973, with effect from 25 May 1973 a new Tariff item 73.10.201 was created for "Bars and rods, hard chromed" with rates of duty BP 25 percent, MFN 30 percent, GEN 50 percent.

2. In accordance with the provisions of the Tariff and Development Board Act the Minister of Customs has requested the Board to undertake an inquiry and report on what form of permanent protection, if any, it considers necessary to protect the New Zealand hard chroming industry against imports of hard chromed steel bars classified in Tariff item 73.10.201.

3. For the purposes of taking evidence the Board will hold a public hearing in the Hearing Room, Eighth Floor, Cumberland House, Upper Willis Street, Wellington, on Tuesday, 16 October 1973, commencing at 10.30 a.m.

4. Parties intending to make representations or requests about appropriate rates of customs duty are asked to take into account the statements of 7 May 1973 by the Minister of Overseas Trade about the phasing out of British preferences from the New Zealand Tariff, and by the Minister of Trade and Industry about the interim New Zealand - Australia Trade Agreement 1973. Copies of these statements can be obtained from the undersigned. In a letter dated 6 April 1973 the Minister of Trade and Industry indicated that, while Government had asked the Board to consider the question of a single tariff rate, for trade policy reasons the Board's recommendations on this aspect would not necessarily be made public for the time being.

5. Any person who intends to tender evidence should lodge, in typewritten form, 14 copies of public evidence and 12 copies of confidential evidence, to be presented under oath at the public hearing, at the Board's office no later than Tuesday, 25 September 1973. In preparing this evidence the "Notes for Information and Guidance of Interested Parties" prepared by the Board may be of assistance. Copies of these notes may be obtained from the Board's office.

Dated at Wellington this 19th day of June 1973.

Secretary, Tariff and Development Board.
